GENERAL INFORMATION AND COLLEGE HISTORY

William Carey College claims two proud predecessors as it looks forward to a future of continued growth and development. The first of these was founded in 1906 as a private, coeducational institution known as South Mississippi College. With the legendary South Mississippi educator W. I. Thames as its president, the college quickly gained a reputation for a strong faculty, especially in art, music, history, and home economics. After a fire destroyed the immense administration building, including classrooms, library, and a 1500-seat auditorium, the young institution was forced to close.

In 1911, W. S. F. Tatum, wealthy lumberman and Methodist layman, acquired the property and offered it as a gift to the Baptists. He set two conditions: successful operation of a Christian school for girls for five years and an enrollment of at least one hundred students the first year. The property consisted of two surviving frame buildings and ten acres of cut-over land. A corporation was organized to own and control the college with nine trustees chosen from Baptist churches in Hattiesburg. In September, 1911, the school opened again with a new name, Mississippi Woman's College under the leadership of President S. S. Rivers. In November, 1911, the college was offered to the Mississippi Baptist Convention free of debt and was accepted.

The growth of Mississippi Woman's College was a source of pride for Mississippi Baptists. Under the leadership of President J. L. Johnson, Jr., 1912-1932, a splendid new administration building was completed in 1914 and named Tatum Court in honor of the college's major benefactor. New brick dormitories were added (Ross and Johnson Halls) as well as an infirmary and a model home. In the process the campus expanded to 40 acres.

The college did not measure its progress simply with physical achievements. An early objective of Woman's College was to train intelligent consecrated citizens who could establish Christian homes. Curricula and activities were designed with this primary objective in mind. By 1925 college stationery boldly proclaimed its letterhead, "Mississippi Woman's College: The School with a Mission." The student body dedicated itself to the mission of the college. Such dedication accounts for Woman's College becoming known by the late 1920s as one of the South's outstanding Christian colleges for women. Continued growth and an emphasis on missions characterized the presidency of W. E. Holcomb, 1932-1940.

When the exigencies of the depression era forced the college to close in 1940, its facilities became available for use as army officers' housing for nearby Camp Shelby. In 1946 Mississippi Woman's College re-opened and underwent major renovations. Dr. I. E. Rouse was elected president in 1946 and served until 1956. In 1953 the Mississippi Baptist Convention voted to move the college into coeducational status after more than four decades of having only female students. This vote necessitated a new name for the institution. In 1954 the board of trustees selected the name of William Carey

College in honor of the eighteenth century English cobbler-linguist whose decades of missionary activity in India earned him international recognition as the "Father of Modern Missions."

Under the leadership of Dr. J. Ralph Noonkester, who was elected president of the college in 1956, William Carey College enjoyed significant growth. In one period of 14 years, a total of 14 new buildings rose on the Hattiesburg campus. The college attracted national attention with baseball, basketball, and tennis teams, the traveling chorale, the theatre performance groups, scientific honor societies, student mission efforts (one of the nation's leading colleges in number of mission volunteers), and pre-medical activities (frequently a leader in percentage of acceptances to medical school). Dr. Noonkester served as president from 1956 to 1989.

In 1968 William Carey entered a new dimension when it announced a merger with the prestigious Mather School of Nursing in New Orleans. Still another dimension opened for William Carey in 1976 when the college purchased the Gulf Coast Military Academy campus in Gulfport. Known as William Carey College on the Coast, the Gulfport campus offers selected undergraduate and graduate degrees.

In November of 1989, the board of trustees elected Dr. James W. Edwards the seventh president of William Carey College. Dr. Edwards served as chancellor, beginning in 1996 until 1997, when he resigned. While he was president, the enrollment reached its highest level in history. Dr. Larry Kennedy was appointed interim president in 1997 and, following a nationwide search, was appointed president in 1998. Since 1998 the physical facilities on the Hattiesburg and Gulfport campuses have undergone major repair and renovation.

The college is organized into the following academic units: the School of Arts, Humanities, and Sciences; the School of Business; the School of Education and Psychology; the Owen and Elizabeth Cooper School of Missions and Biblical Studies; the Donald and Frances Winters School of Music; and the School of Nursing.

The dramatic developments over the years demonstrate that William Carey College has accepted William Carey's challenging motto:

"Expect great things from God; attempt great things for God."

GOVERNANCE

William Carey College is a nonprofit corporation operating as an institution of higher learning from its domicile in Hattiesburg, Mississippi. The college operates under the governance of a board of trustees elected by the Mississippi Baptist Convention.

LOCATIONS

William Carey College has three campuses:

HATTIESBURG is the home of the original parent campus, founded in 1906. On 120 acres the campus faces a beautiful evergreen forest on the south side of the city. Thanks to its similar proximity to Jackson, Meridian, New Orleans, and Mobile, Hattiesburg is known as the Hub City. With a population of 100,000, the greater Hattiesburg area is served by two airports, train and bus facilities, Interstate 59, and several four-lane highways, one of which connects with Gulfport, an hour to the south, and with Jackson, an hour and a half to the north.

GULFPORT, the second largest city in Mississippi, is the location of William Carey College on the Coast. Looking out on the beautiful waters of the Gulf of Mexico, the 20-acre campus lies in the fastest growing industrial and recreational area of Mississippi. Live oaks grace the campus, while the college fishing pier reaches into the Gulf itself.

NEW ORLEANS is one of the sites of the School of Nursing. The school is housed in the auxiliary classroom building on the campus of the new Orleans Baptist Theological Seminary. "America's most unusual city," historic New Orleans offers the student a rich mosaic of culture and tradition. The nursing program is also offered on the other two Carey campuses.

ACCREDITATION

William Carey College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools, 1866 Southern Lane, Decatur, Georgia 30033-4097; telephone number 404-679-4501, to award bachelor and master degrees.

The Winters School of Music is an accredited institutional member of the National Association of Schools of Music. The music therapy program is accredited by the American Music Therapy Association. The School of Nursing is accredited by the National League for Nursing Accrediting Commission, 61 Broadway, New York, NY 10006, 800-669-9656 ext. 153; by the board of trustees, Institutions of Higher Learning of the State of Mississippi, and approved in New Orleans by the Louisiana State Board of Nursing.

INSTITUTIONAL EFFECTIVENESS

In an effort to engage in an ongoing quest for quality, the college maintains a comprehensive system of planning and evaluation in all major aspects of the institution. The Statement of Purpose for the college is used as the foundation for this evaluation. A variety of assessment methods are used, and the results are implemented to improve both the education programs and support activities. Educational quality is determined by how effectively the institution achieves its established goals. The results of the college's assessment procedures are incorporated annually into the college's planning process in order to achieve continual improvement in programs and services.

NONDISCRIMINATION/DISCLAIMER

In compliance with federal law, including provisions of Section 504 of the Rehabilitation Act of 1973, William Carey College does not illegally discriminate on the basis of race, color, national or ethnic origin, age, or disability in admissions or in the administration of its education policies, programs, and activities. In compliance with Title IX of the Education Amendments of 1972, the college does not illegally discriminate on the basis of sex in the administration of its education policies, programs and activities. The vice president of academic affairs has been designated as the responsible employee to coordinate efforts to carry out responsibilities and direct the investigation of complaints relating to discrimination.

POLICY ON PRIVACY OF STUDENT RECORDS

Under the "Family Educational Rights and Privacy Act of 1974" as amended, William Carey College students have the right to inspect and review any and all records, files, and data directly related to them. The college will not ordinarily release students' records to any outside agency without the written consent of the student.

William Carey College will release "directory information" as defined in the student handbook on students to any interested member of the public unless the student requests in writing that it be withheld.

APPLICATIONS FOR ADMISSION

The prospective student must file a complete admission application and request the appropriate school officials to mail transcripts to the college as soon as the decision to apply has been made. Applications will be accepted during the spring and summer. Both freshmen and transfer students may enter the college's trimester system in August, November, February, or June.

There are separate requirements for admission to the School of Nursing and to the teacher education program of the School of Education and Psychology. The student should consult program descriptions for those admission requirements.

The college reserves the right to deny admission to any applicant or forbid any student's continued enrollment without assigning a reason. The college does not discriminate in admissions on the basis of race, religion, color, national origin, sex, age, or disability.

APPLICATIONS FOR HOUSING

The residential housing status form must be returned to the Student Development Office. A \$100 security deposit is required to reserve a room in a residence hall in Hattiesburg. The deposit is refundable if a written request is made 30 days prior to the first day of classes. The reservation and security deposits for the Gulfport campus apartments are \$100 (double occupancy) and \$175 (single occupancy).

STANDARDS FOR ADMISSION

FRESHMEN

The college solicits applications from individuals who desire to study in a learning environment committed to the achievement of personal and professional excellence. Each freshman applicant for admission must file with the Office of Admissions a complete application consisting of the following:

1. A completed application for admission.
2. An official high school transcript or GED score report (minimum average score of 45). A final transcript showing grades on all courses completed is required. *An official transcript is defined as one mailed directly from one institution to another.*
3. A \$20 nonrefundable application fee.
4. Documented proof of two immunizations for measles and rubella if born on or after January 1, 1957.

5. Score reports on the American College Test (ACT) or the College Entrance Examination Board Scholastic Aptitude Test (SAT). A student who has not had one of these tests must complete the residual ACT prior to being considered for admission. The cost of the ACT will be collected at the time of testing. If a student has been out of high school for six or more years, a diagnostic placement exam may be substituted for the ACT for admission.

The admissions committee uses the "whole student" concept in selecting applicants for admission to the college. The committee considers the following factors in its decisions to accept or reject applications of individual students:

1. *Class Rank*

Applicants must present evidence that they rank in the first or second quartiles (upper half) of the graduating class of a secondary school.

2. *Grades and College Preparatory Subjects*

Students must present official transcripts indicating they have achieved a minimum high school grade point average (GPA) of 2.0 on a 4.0 scale. A student is best prepared to do college work when the student has completed the following preparatory work in high school: four years of English with emphasis on grammar and composition; three years of mathematics (including algebra and plane geometry); 2.5 years of social sciences (history, government, and/or geography); and three years of natural science.

3. *Test Scores*

First-time freshmen applicants are required to submit official ACT or SAT test scores (minimum score of 15 on ACT or 710 on SAT).

ACADEMIC ADVISING FOR FRESHMEN

All new students are assigned an academic advisor in their major area of interest. Course placement in English and math will be based on ACT/SAT subscores. Students who are accepted to the college with an ACT composite score below 18, who have been required to take diagnostic placement tests, and/or who have a high school grade point average below 2.0 will be assigned for special academic advising and will be limited to enrollment in 9-10 hours per trimester for the first year of enrollment.

EARLY ENTRANCE PROGRAM

The following requirements are used to determine admissibility of a student at the end of the junior year of high school. Students meeting these requirements are admitted to the freshman class without reservation and are not required to complete the senior year of high school. However, Federal regulations require proof of high school graduation or equivalency (GED) in order for students to receive Federal financial aid.

1. Fifteen units of credit must be earned by the completion of the high school junior year.
2. A qualified student must have at least a 3.5 grade point average on the 4.0 system, which is approximately a B+ average.
3. An ACT composite score of 25 or SAT score of 1130 or the equivalent.
4. The applicant must have a personal written recommendation from his or her high school principal specifically recommending for early entrance.

CREDIT BY EXAMINATION

Advanced placement and college credit are awarded to students who have college-level subjects in high school and who have earned the minimum score required by the college on the College Entrance Examination Board Advanced Placement tests. Credit for knowledge gained by nontraditional means may be substantiated by certain minimum scores on some of the CEEB College Level Examination Program tests or the American College Test Proficiency Examination Program tests.

HONORS PROGRAM

Students who are valedictorians, salutatorians, or who rank in the top five percent of their secondary school graduating classes or in the top ten percent nationally on the SAT, the ACT, the National Merit Scholarship Qualifying Test, or other nationally recognized college entrance tests may apply for admission to the freshman honors program. Students included in the honors program are those receiving academic scholarships based upon academic potential. Transfer students who meet admission criteria can request admission into the honors program.

TRANSFER STUDENTS

The college solicits applications from transfer students from junior or community colleges, senior colleges, or universities. An application from a student who is in good standing at another institution of higher learning will normally be approved if the student's academic record at that institution is equal to the minimum standards required of our own students (see p. 55).

An applicant who has college level work must submit the following:

1. A completed application for admission.
2. A \$20 nonrefundable application fee.

3. A complete and official academic transcript from **each** college previously attended. *An official transcript is defined as one mailed directly from one institution to another.* It bears the institution's seal, the signature of the registrar, and the date of issuance.
4. Documented proof of two immunizations for measles and rubella if born on or after January 1, 1957.

NONDEGREE STATUS

If a student wishes to complete certain undergraduate courses and not pursue a degree, the admissions committee may grant that person nondegree status provided the applicant submits the following:

1. Proof of high school graduation or the equivalent (GED).
2. Proof of eligibility to return to the last school attended by means of an official transcript.
3. A \$20 nonrefundable application fee.
4. Documented proof of two immunizations for measles and rubella if born on or after January 1, 1957.
5. Certification that the student is not under suspension from any college or university. A student found guilty of nondisclosure or misrepresentation in filling out the registration form, or students who find after enrollment that they are ineligible for academic or any other reason to return to the last institution and who fail to report this immediately to the Office of Admissions, will be subject to disciplinary action, including possible dismissal from the college.

The student registered in nondegree status is subject to all college regulations governing registration, attendance, and academic standing. Credit earned in nondegree status is recorded on the student's permanent record and may be applied in an undergraduate degree program when the student has satisfactorily established degree status by meeting entrance requirements to the college.

Nondegree status students are not eligible for Federal financial aid.

READMISSION

A former William Carey College student (one who was not registered during the preceding trimester) must submit a completed application for readmission to the Office of Admissions. Official transcripts showing all college work taken since leaving the college must be submitted to the Office of Admissions. The applicant for readmission should meet the minimum

academic standards required of current and transfer students. Those not meeting minimum academic requirements are evaluated for admission by the admissions committee. All decisions of the admissions committee are subject to appeal. A student who has been out of school only during the summer does not need to apply for readmission.

INTERNATIONAL STUDENTS

William Carey College is authorized under Federal law to enroll non-immigrant alien students.

1. Applicants must submit a completed Application for International Undergraduate Admissions to the Office of Admissions.
2. Applicants must pay a \$20 nonrefundable application fee.
3. Applicants are required to score a minimum 525 on the TOEFL Exam or Proficiency Level II on the Michigan Level Exam.
4. Applicants must take the William Carey College placement examinations, ACT, or SAT for the purposes of admission and academic advising. A minimum composite ACT score of 15 or SAT score of 710 is required for admission to the college.
5. Applicants must submit official records (with an English translation) of all studies in each school attended, beginning with secondary school. These records should include all marksheets, diplomas, and certificates issued during that time. *An official transcript is defined as one mailed directly from one institution to another.* If only the original is available, copies of these records will be accepted as official papers.
6. All international students must pay \$500 (USA) advance tuition before an I-20 will be issued from William Carey College. This payment will be subtracted from the student's bill at registration. Students who are on a scholarship from their country come under the above, unless there is a letter from an official of the scholarship committee/foundation on file in the Business Office.
7. Cost for attending the college for nine months will be at least \$10,500 (USA). This does not include personal expenses or transportation. Students must be prepared to pay their bill in full on the day they register for class. Since the immigration laws do not allow a foreign student to hold a job during the first year in the United States, a student should not expect to earn any part of the expenses.
8. International students should refer to the college calendar for dates of the trimester breaks, Thanksgiving holidays, Christmas holidays, and spring

break. All residence halls are closed during these periods, and students must provide their own living and meal arrangements during these breaks.

9. It is NOT the policy of the college to permit students from other countries who are in the United States on a student visa to register in nondegree status.
10. International students must have an I-20 before they will be allowed to register for classes.

ADMISSION STATUS

Students may attend William Carey College under several status categories depending upon the level of compliance with published admissions requirements.

1. An *accepted student* is one who has been officially accepted for admission, whether freshman, transfer, or readmission.
2. A *probational student* is one who does not meet the minimum admissions standards but is allowed to attend William Carey College by action of the admissions committee. The student must meet the minimum academic standards required of current students on a minimum of six semester hours and a maximum of two trimesters.
3. A *provisional student* is one who has been provisionally accepted based on preliminary coursework and is awaiting acceptance pending receipt of all official supporting documents.
4. An *incomplete student* is one who has not supplied all necessary documents to be complete in admissions.

Students in a provisional or incomplete status may be allowed to register on a conditional basis. The students must be prepared to pay at least 50% of all charges by the end of the first week of class and provide all documents required for admission by the end of the first term of attendance. No financial aid will be processed or paid on students who have not been officially accepted. Students who do not comply with the requirements of conditional registration, or who, upon receipt of official documents, do not meet the minimum standards for admission will be removed from classes, will receive no grades, and will be refunded according to the tuition refund policy. Permission for conditional registration does not indicate official acceptance to William Carey College.

HATTIESBURG CAMPUS FACILITIES

- **TATUM COURT**—Constructed in 1914, this building of colonial design was renovated in 1974 into a facility housing administrative offices, faculty offices, classrooms, and the O. L. Quave Theatre. Additional exterior renovation was completed in 1999.
- **THE ROUSE LIBRARY**—The library is a modular-designed, single-floor building, which houses print, nonprint, and internet media with a computer lab.
- **FAIRCHILD HALL**—This building houses the department of education. The building has office suites for faculty members, five classrooms, a well equipped curriculum laboratory, and a research room for faculty and students.
- **GREEN SCIENCE HALL**—The one-story portion of Green Science Hall accommodates chemistry and physics curricula. The two-story section houses Ross Lecture Hall, student study and work areas, laboratories, offices, and classrooms for the departments of biology, mathematics, nursing, psychology, and social sciences.
- **MARY ROSS BUILDING**—An original building constructed for a campus hospital, this building now houses faculty offices and conference rooms for the School of Business.
- **THOMAS BUSINESS BUILDING**—Completed in 1974, this facility contains The Kresge Lecture Room, the School of Business, classrooms, computer labs, continuing education, workshops, and graduate classes.
- **THOMAS FINE ARTS CENTER**—The Fine Arts Center, dedicated in 1966, contains complete facilities for the Donald and Frances Winters School of Music, the Dumas L. Smith Auditorium, and the Lucile Parker Art Gallery.
- **CLINTON GYMNASIUM**—Constructed in 1961, this building includes a gymnasium, offices, locker rooms, and a large physical education classroom.
- **LAWRENCE HALL**—Lawrence Hall provides offices, classrooms and conference space for the Owen and Elizabeth Cooper School of Missions and Biblical Studies, student government association, student development, and student support services.
- **MCMILLAN HALL**—Completed in 1964, this building houses the college bookstore, the post office, and offices for the School of Nursing.
- **WILKES HALL**—This building includes a student dining room, a faculty dining room, the student center, and a dining room for special groups.

- **THE BENTLEY-POPE HOUSE**—A two-story colonial style residence built in 1962 now houses the offices of external relations and alumni relations. Large formal entertainment areas occupy most of the first floor.
- **CRAWFORD HALL**—This eight-room structure constructed in 1936 serves as the offices and activities center for the Baptist Student Union.
- **BASS HALL**—Bass Hall is a three-story building that accommodates 150 female residents. Built in 1963, the building has a large lounge and a resident manager's suite. Interior renovation was completed in the summer of 1999.
- **BRYANT HALL**—Completed in 1966 and renovated in 1998, this building accommodates 110 male residents.
- **ROSS AND JOHNSON HALLS**—These twin buildings are among the original structures on the campus. In 1984 Johnson Hall was completely renovated and converted into apartments, accommodating up to 48 residents. In the summer of 1999, interior restoration of Johnson and Ross Halls was completed. It accommodates approximately 60 female residents in suites containing private bathrooms.
- **POLK HALL**—Originally built in 1962, this men's dormitory was renovated in 1998.
- **CAMPUS FACILITIES BUILDING**—This building houses the offices and equipment of the physical facilities department.
- **COMMON GROUNDS**—Created in 1997 from a former carriage house, this facility houses a student-operated coffee house.
- **CHAIN GARDEN**—This area of the campus was dedicated in 1992 in honor of Bobby and Betty Chain.
- **LUCILE PARKER GALLERY**—Located in Thomas Fine Arts Center, the Lucile Parker Gallery is named for the late William Carey College professor of art emerita whose work in watercolor brought national acclaim. Exhibitions of artists enjoying national reputations are scheduled September through May. The college's permanent collection is exhibited usually June through August.
- **MISSIONS PLAZA AND TOWER**—Dedicated in 1994, and prominently located in the front of Wilkes Hall, the Marjorie and Earl Kelly Missions Plaza and the Estelle Willis Missions Tower recall the legacy of William Carey and honor Southern Baptist missionaries, William Carey College alumni, faculty, staff, and students in foreign missions service. Gifts of Joseph and Nancy Fail made construction possible. Mr. Fail is a trustee and benefactor of the college.

GULFPORT CAMPUS FACILITIES

The Gulfport campus consists of the following major buildings:

- **FAIRCHILD ADMINISTRATION CENTER**—This building houses administrative and faculty offices and a board room for special college meetings.
- **SARAH GILLESPIE GALLERY**—Located in Parker Hall, this gallery houses the extensive Sarah Gillespie Collection, a regional collection spanning the twentieth century. Exhibitions of artists enjoying national reputations are scheduled September through May; selections from the Sarah Gillespie Collection usually are exhibited June through August. Frequent exhibitions of student art work showcase the gallery as well.
- **MCMULLAN LEARNING RESOURCES CENTER**—This facility contains the library, computer laboratory, faculty offices, and classrooms.
- **PARKER HALL**—Renovated in 1987, this building contains the Sarah Gillespie Gallery, classrooms, and a 150-seat auditorium.
- **ART COMPLEX**—The art complex consists of five buildings, including studios and laboratories for painting, graphic design, ceramics, sculpture, wood carving, and a metal works area for casting.
- **STUDENT SERVICES CENTER**—This building houses the bookstore, post office, student center, and athletic offices for men's and women's soccer.
- **STUDENT APARTMENTS**—The apartments were completed in 1986 and consist of four, two-bedroom apartments, each containing 24 furnished or unfurnished apartments for a total residency of up to 384 students.
- **B.S.U. HOUSE**—Open to all students, this center is the meeting place for the Baptist Student Union.

GENERAL REGULATIONS FOR STUDENTS

HEALTH SERVICES

On the Hattiesburg campus, students have access to immediate care clinics, and two hospital emergency rooms that extend 24-hour care. The clinics and emergency rooms are provided on a fee-for-service basis. Medical service for students on the Gulfport campus is provided by an arrangement with UrgiCare on a fee-for-service basis. New Orleans students have access to physicians and hospitals in the area.

Information about health insurance is available to students in Hattiesburg in the office of student development, in the office of the director of student services in Gulfport, and in the office of marketing and student services in New Orleans.

VEHICLE REGISTRATION

Registration of motor vehicles is a part of the academic registration procedure at the beginning of each year for all students who are permitted to bring cars on the campus. Students who bring unregistered vehicles on campus after any registration period must register them immediately after arrival on the campus. All college employees and students shall register their vehicles and secure a registration decal from the student development office. Failure to register a vehicle, to use the proper decal, or to observe all traffic regulations will constitute a violation and subject the violator to certain penalties.

CAMPUS SAFETY AND SECURITY

Campus security personnel are located at four stations on the Hattiesburg campus and are available 24 hours a day. Security personnel at Gulfport are located at the campus security station, and security at New Orleans is provided by the New Orleans Baptist Theological Seminary. Any crime or suspicious activity should be reported promptly to campus security: Hattiesburg (601) 582-6300; Gulfport (228) 897-7223; New Orleans (504) 282-4455, ext. 3230 or 944-4455 (after 4:00 pm).

STUDENT RIGHTS AND RESPONSIBILITIES

Every student is expected to display proper conduct. However, violations of the student code of conduct will be dealt with according to the policies and procedures outlined in *The Lance*. The college reserves the right to require at any time the withdrawal of a student whose conduct or academic work does not meet college standards. Students have the right to appeal any decision through appropriate channels as outlined in *The Lance*.

HOUSING POLICY FOR SINGLE STUDENTS

PHILOSOPHY FOR RESIDENTIAL LIFE

The college holds to the philosophy that living on campus provides an increased opportunity for developing better student relationships, encourages the exchange of cultural and intellectual thought, and promotes an environment for living and learning as part of the overall educational mission of the college.

RESIDENCE REGULATIONS

All unmarried students under the age of 25 attending the Hattiesburg and Gulfport campuses are required to live in one of the campus residence halls and, in Hattiesburg, to board in the college cafeteria. Exceptions to this requirement may be made for students who live with parents in a permanent residence within the immediate college community. Any unmarried student living off-campus without official approval will be required to pay full room and board charges for the trimester in which the violation occurs.

Students must furnish their own linens, pillows, and, if desired, window curtains. Mini-blinds are furnished. Local and long-distance telephone service is available through the college's telecommunications system; however, students must furnish their own telephone set. Payment for local and long-distance telephone service is due monthly in the business office of the college.

All resident students must make room reservations prior to each trimester. On the Hattiesburg campus, a one-time \$100 deposit (\$175 for Johnson apartments) is required of all new campus residents. Upon receipt of a written request from the student, the deposit will be refunded within 90 days of the student's permanent check-out. The amount of the refunded deposit is reduced by any unpaid charges, fines, or assessments for damage to the room or its furnishings.

A deposit of \$175 (\$225 for single occupancy) is required at the time a student makes application for an apartment on the Gulfport campus. This deposit is refundable, less any assessment for damage or neglect of the room or its furnishings, when the student properly checks out of the room permanently. Housing is not provided on the New Orleans campus.

The college reserves the right to inspect rooms and to move any student to another assignment for reasons of space management or for the maintenance of order. At the beginning of each school term, students without roommates may choose one of three options: 1) move together voluntarily with another student who is without a roommate, 2) be reassigned with another student who is without a roommate, or 3) pay the private room rate. Whatever the option chosen, the student must coordinate his or her actions with the resident hall director on the Hattiesburg campus or the housing director on the Gulfport campus.

Students will not be allowed to remain in student housing for any period of enrollment in which they are not registered for course work.

TERMS OF PAYMENT

All fees are due and payable upon registration prior to the beginning of each trimester. However, a student may request to pay on the college's deferred payment plan. In order to register under this plan, a student must pay a minimum of one-half the tuition and fees, room, and board charges after deducting any student loans, grants, and scholarship amounts. The remaining trimester balance can be divided into two equal payments with the payments due at the times specified on the Deferred Payment Agreement. Failure to make payments by the due dates will result in a \$15 late payment charge. If a student is more than 15 days late in making payment, the college reserves the right to terminate the student's enrollment. Should a student be granted permission to re-enter, a reinstatement fee of \$10 will be assessed. This fee is nonrefundable and must be paid in cash. There will be a \$25 fee assessed each trimester for the privilege of using the deferred payment plan.

A budget payment plan, offered by Academic Management Services (AMS), is also available to students who would prefer to spread their annual cost evenly over an eight, nine, or ten month period. The business office or financial aid office has information about this plan.

TUITION REFUND POLICY

A portion of tuition and fees may be refunded to students who officially withdraw from the college or officially drop a course. Any claim for such refund will be based on the date on which the student files a completed request with the Registrar's Office for official withdrawal or dropping of a course. No refund is made when a student is dismissed for reasons of misconduct. The general tuition refund policy is applied as follows:

During the first week of class	100% less \$25/\$50*
During the second week.....	70% less \$25/\$50*
During the third week	40% less \$25/\$50*
After the third week.....	None

*\$25 fee for dropping a class/\$50 fee for complete withdrawal

For classes offered on a schedule shorter than a 10-week term, the refund period will be reduced in proportion to the length of the course. The effect of holidays on this schedule will be determined by the Business Office.

BOARD AND RENT REFUND POLICY

Students withdrawing from the college will receive a pro-rata refund for board based on the number of days remaining on the applicable meal plan for the current trimester. No refund of board will be made for the Summer terms due to the nature of arrangements with the food vendor. Pro-rata refunds of residence hall room fees or apartment rent will be made after classes begin only if the room or apartment is rented to another student for the period that has been reserved by the student who is requesting a refund. Deposits are returned in accordance with the agreements under which they are made.

BOOKSTORE AND SUPPLIES

The college maintains a bookstore on each campus, through which books, stationery, ink, clothing, and other supplies may be purchased.

FINANCIAL AID TO STUDENTS

Scholarship, grants, work service, and loan funds at William Carey College are administered in conjunction with a nationally established philosophy of distributing financial aid. The basis of this philosophy is the belief that the student and parents have the primary responsibility for paying the cost of education and that financial aid from the college is available only for meeting the difference between the cost of education and the amount the students and parents can reasonably be expected to contribute.

William Carey College utilizes an officially recognized procedure for determining expected family contribution. In making this determination, income, net worth, certain expenses as indebtedness, size of household, and number of family members in post-secondary education are considered.

The purpose of William Carey College's financial aid program is to provide assistance to students who would be unable to attend college without such aid. Financial aid includes scholarships, grants, work service, loans, and part-time employment. These types of assistance are extended either singly or in combination. The financial aid award or "package" offered depends upon the student's academic record and need for assistance. It is understandable that most students would prefer assistance through a full scholarship or gift program, but the packaging concept enables William Carey to assist more students, thereby making it possible for larger numbers to attend. Each aid applicant will be considered for all aid programs administered by the office of financial aid.

All applications for financial aid will be processed on a first-come, first-served basis. Individuals must complete a Free Application for Federal Student Aid (FAFSA). These forms may be obtained by contacting the financial aid office at the college. The FAFSA is also available from high school counselors.

The institution requires that a FAFSA form be completed by any student who will be receiving a scholarship, loan, work service, grant or any other form of financial aid. Also, any student who receives a scholarship at William Carey College must early-register each trimester in order to retain the scholarship.

FINANCIAL AID GENERAL REGULATIONS

1. Financial aid applicants must be accepted for admission to William Carey before financial assistance can be awarded. Nondegree seeking students are not eligible for Federal financial aid.
2. Generally, financial aid is offered to the full-time student working on his or her first baccalaureate degree. If a student drops below half-time status, that student automatically becomes ineligible for financial aid.
3. Ordinarily financial aid is awarded once per trimester of the regular academic year.
4. In order to receive financial aid, students must maintain "Standards of Satisfactory Progress" toward their degrees and remain in good standing. Financial aid may also be withdrawn from students who are penalized by William Carey College for serious breaches of discipline. The financial aid office reserves the right to withhold further assistance at the time it becomes evident that a student has abused or is abusing the financial aid programs.
5. Students receiving financial aid from sources other than William Carey College must advise the director of financial aid of the amount and source of such aid.
6. An application for financial aid must be completed annually. Financial aid is not automatically renewed.
7. This institution is in compliance with Title VI of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972 and does not discriminate against the handicapped or on the basis of race, creed, color, sex, or national origin.
8. Students who are eligible for a refund can expect to receive their refund on Friday of the second week following receipt of their financial aid in the business office.
9. Nondegree status students are not eligible for Federal financial aid.

TYPES OF FINANCIAL AID

The following financial aid programs are available to students who enroll at William Carey College. Specific eligibility criteria and applications procedures for each program are available at the office of financial aid.

- **STUDENT EMPLOYMENT:** College Work Study Programs
- **GRANTS:** Pell Grant, Supplemental Education Opportunity Grants (SEOG), State Student Incentive Grant (SSIG), Mississippi Tuition Assistance Grant (MTAG), Mississippi Eminent Scholars Grant (MESG), Teacher Education, Nursing Professional, and Psychology Grants are available through the Mississippi State Department of Education
- **REGULAR LOANS:** Federal Stafford Loan, Federal Unsubsidized Stafford/PLUS, Federal Perkins Loan, Bobby Wingo Memorial Loan Fund (seniors only), Otis Seal Loan Fund (Ministerial students only).
- **EMERGENCY LOANS:** Bass Loan Fund (short term emergency loans).
- **INSTITUTIONAL AWARDS:** Scholarships based on academic, talent, alumni, church vocations, and leadership.

ADDITIONAL INFORMATION ON FINANCIAL AID

The director of financial aid and appropriate staff members are available to provide additional information regarding the financial aid program of William Carey College as required by the Student Information Requirements as stated in Title I of the Education Amendments of 1976. Appointments may be made by calling (601) 582-6153.

William Carey College participates in all programs of the Veterans' Administration. Information and assistance with applications may be secured from the V.A. certifying officials on the Hattiesburg, Gulfport, or New Orleans campus.

INSTITUTIONAL SCHOLARSHIPS AND AWARDS

William Carey College makes financial aid commitments to qualified full-time students based on academic achievements, special talents, and dependents of groups related to its institutional mission. All financial aid commitments are made through the director of financial aid, based on recommendations from the scholarship committee, department chairs, deans of schools, and the athletic director.

Financial aid may include scholarships, awards, grants, and loans. Aid may also be based on special talent such as art, music, theatre, science, and other academic areas. Scholarships funded directly by the college from endowment, memorial gifts, and annual gifts are listed below.

All scholarship commitments are made through the Office of Financial Aid based on recommendations from the scholarship committee, department chairs, deans of schools, and the athletic director. All applications will be

considered on a funds-available basis. All scholarship recipients must complete a minimum of 9 credit hours each trimester.

Trustee Scholar: On-campus students may be awarded up to 75% of the cost of tuition on 30 hours per year, and commuting students may be awarded up to 50% of the cost of tuition on 30 hours per year.

Freshman eligibility: National Merit finalist, semi-finalist, or 29 ACT score.

Transfer eligibility: 3.9 GPA with minimum of 54 semester hours completed.

Recipients must maintain an overall GPA of 3.0 and participate in the college honors program.

Presidential Scholar: On-campus students may be awarded up to 50% of the cost of tuition on 30 hours per year, and commuting students may be awarded up to 35% of the cost of tuition on 30 hours per year.

Freshman eligibility: Valedictorian, salutatorian, STAR student, or 26 ACT score.

Transfer eligibility: 3.7 GPA with minimum of 54 semester hours completed.

Recipients must maintain an overall GPA of 2.75 and participate in the college honors program.

Academic Scholar: On-campus students may be awarded up to 35% of the cost of tuition on 30 hours per year, and commuting students may be awarded up to 20% of the cost of tuition on 30 hours per year.

Freshman eligibility: 20 ACT score.

Transfer eligibility: 2.5 GPA with minimum of 54 semester hours completed.

Recipients must maintain an overall GPA of 2.0.

PHI THETA KAPPA SCHOLARS

Members of Phi Theta Kappa may receive an additional \$500 per year. Proof of membership is required.

ALUMNI DEPENDENT SCHOLARSHIPS

Children, grandchildren, siblings, and spouses of alumni of William Carey College may qualify for scholarships of up to \$300 per year.

TALENT SCHOLARSHIPS

William Carey College offers talent scholarships in vocal music, instrumental music, theatre, forensics, and art (Gulfport only). For all talent scholarships, auditions or portfolio viewing must be arranged with the appropriate dean or department chair.

CHURCH RELATED SCHOLARSHIPS

Baptist Student Scholarships of up to \$300 per year are available for students who are recommended by a pastor of a Southern Baptist church. This amount may be added to academic and/or talent scholarships. Requires pastor nomination.

CRV Dependent Student Scholarships of up to \$1,000 per year are available for sons, daughters, and spouses of pastors, and other full-time ministerial employees of local Southern Baptist churches, Southern Baptist Associations, or other Southern Baptist agencies. This amount may be added to academic and/or talent scholarships.

CRV Scholarships of up to 75% of the cost of tuition on 30 hours per year for on-campus students and up to 50% of the cost of tuition on 30 hours per year for commuting students are available for qualifying students. A CRV student is defined as one who has made a public commitment to a church-related vocation (ministry or missions) in a church affiliated with the Southern Baptist Convention. These amounts are comprehensive and may not be combined with any other scholarships or grants offered by WCC. (Requires letter from church or license/ordination certificate.)

Southern Baptist CRV students may also apply to the Board of Ministerial Education of the Mississippi Baptist Convention for additional financial aid. This aid is applied for in a separate process through the School of Missions and Biblical Studies at William Carey College.

STUDENT LIFE AND CAMPUS ACTIVITIES

Student life at William Carey College is an experience in community Christian living. All student life, all organizational life, and all social life is directed to the ultimate purpose of preparing a person for well-balanced vocational and social life. The college strives to give all students the opportunity to grow creatively in all aspects of personal and community life.

All students are expected to assume responsibility for their own affairs and to respect the rights and privileges of other members of the campus community. Faculty and administrators of the college are interested in students and seek to help them to achieve mature, personal, responsible objectives.

Students' spiritual, social, moral, intellectual, and vocational maturity is increased through their participation in community housing, organizational activity, their assumption of responsibilities for campus life, and the availability of many forms of student and staff guidance.

Rules and regulations related to student campus life are set forth in *The Lance*, a publication of the office of student development. It governs matters of conduct and residential life and is distributed annually to all students. In addition, some academic programs provide separate handbooks related to the particular programs. These documents collectively set forth the various rights and responsibilities of students, both academically and in other matters related to matriculation. Procedures related to these rights and responsibilities, including appeals related to academic and conduct matters, are set forth in these documents.

RELIGIOUS ACTIVITIES

CHAPEL

The purpose of chapel is to provide through the regular assembly of the entire college family an opportunity for worship and inspiration, for learning in inspirational context, and for the creation of community. This will contribute to spiritual development of the student as a significant part of preparation for meaningful life. With certain exceptions, all undergraduate students on the Hattiesburg campus are required to attend. Requests for exemptions from the chapel requirement may be made by completing an exemption request form, which is available in the Cooper School of Missions and Biblical Studies, Room 112 of Lawrence Hall on the Hattiesburg campus.

Chapel programs are presented each Wednesday morning on the Gulfport campus, and with certain exceptions, all undergraduate students are required to attend. Exemptions from the chapel requirement may be made by petition to the office of student services on the Gulfport campus.

Students and faculty on the New Orleans campus attend general assembly, in which a varied program of professional, cultural, and/or religious nature planned by a student-faculty committee is presented. With certain exceptions, all undergraduate students on the New Orleans campus are required to attend. Requests for exemptions from the chapel requirement may be made by contacting the director of marketing and student services on the New Orleans campus.

WILLIAM CAREY LECTURES

The William Carey Lectures are held annually on the Hattiesburg campus, honoring the college's namesake and the Christian missions effort. A Religious Emphasis Day is held on the New Orleans and the Gulfport campuses. Outstanding leaders and scholars from the Christian community are brought to the campuses for these emphases.

BAPTIST STUDENT UNION

The Baptist Student Union (BSU) is a ministry for the campus which is designed to facilitate and enrich spiritual growth, to share Christ with all students, to encourage individual and group Bible study, to magnify church membership and loyalty, and to learn about and be involved in mission projects. The BSU seeks to provide a wholesome Christian fellowship through which all students can involve themselves in ministry and personal growth activities.

The BSU is supported by area churches and affiliated with the Department of Student Work of the Mississippi Baptist Convention and the National Student Ministries Department of the Sunday School Board of the Southern Baptist Convention.

STUDENT GOVERNMENT ASSOCIATION

William Carey College has adopted student government because of its democratic and creative implications. Each student who enrolls in the college automatically becomes a member of the Student Government Association. Each member is given an opportunity to participate in student government by voting in SGA elections, by the voice of representatives in the Student Government Council, and by the right of personal petition. The officers of the SGA work closely with the director of student activities in planning and implementing student programs and activities. The president and vice president of the SGA are welcome representatives of students on the Administrative Council of the college. Both the New Orleans and the Gulfport campuses have autonomous Student Government Associations.

STUDENT PUBLICATIONS

The Cobbler is the student newspaper. It is a publication designed to report on past and future campus events and is produced by a volunteer staff of students under the direction of the office of student activities and a faculty advisor. For more information, contact the director of student activities.

The Crusader is an annual publication that depicts and preserves the events that influence and shape the lives of the students during the course of a year.

The purpose of the society is (a) to confer distinction for high achievement in the English language and literature in undergraduate and professional studies; (b) to promote interest in literature and the English language on the local campuses and their surrounding communities; and (c) to foster the discipline of English in all of its aspects, including creative and critical thinking.

The **Student Education Association** is an organization dedicated to the training and development of students desiring to be educators.

The **Student Government Association** is an organization whose purpose is to aid in governing the student body and help serve their needs. The SGA serves as a liaison between students and administration and also is a primary source for weekly campus activities. There are both elected and appointed positions. Each student who enrolls in the college is a member of the SGA.

The **Symphonic Winds** is the principal instrumental organization of the college. Functioning within the organization are various instrumental ensembles. Membership is by audition.

The **Taekwondo Club** fosters the development and unity of all martial arts.

The **Young College Republicans Club** meet to discuss politics and support the Mississippi Republican Party.

CAREER SERVICES

Career Services at William Carey College is designed to facilitate the transition of students from academic life into a rewarding career experience. Career Services offers assistance in the development of job search skills such as resume preparation, interviewing techniques, and networking. Assistance is also available for application to graduate schools. The career library includes information about employment opportunities, career choices, career planning, and graduate schools. In addition, Career Services offers assistance to help students identify career interests, which is beneficial in determining a course of study. Services are available for students and alumni of William Carey College.

SIGI Plus, a career planning software package, is available in both Hattiesburg and Gulfport. In addition, Hattiesburg and Gulfport campuses have copies of *Peterson's Graduate Guides*, which include information on graduate programs in many disciplines throughout the United States. William Carey College is a member of The National Association of Colleges and Employers and the American Association of Employment in Education. Both of these associations provide job search resources for students which are available in Hattiesburg, Gulfport, and New Orleans.

Career resources are located in 129 Lawrence Hall in Hattiesburg; the McMullan Library in Gulfport; and in the office of the director of the nursing program in New Orleans.

ADMINISTRATION OF THE ACADEMIC PROGRAM

William Carey College offers a variety of academic programs at the undergraduate level and a limited number of programs at the graduate level. This catalog sets forth the general academic regulations which the college follows as well as specific regulations and policies regarding the undergraduate program. Most undergraduate programs may be completed by successfully earning at least 128 semester hours of specified credit.

The time period within which these programs may be completed varies. The program curricula generally allow completion in four years. That period may be shortened for students with outstanding records who are allowed to take higher course loads or who attend summer classes. It may also be longer for students who experience academic difficulty or attend on a part-time basis.

ACADEMIC ORGANIZATION OF THE COLLEGE

The college is organized into the School of Arts, Humanities, and Sciences, the School of Business, the School of Education and Psychology, the Owen and Elizabeth Cooper School of Missions and Biblical Studies, the Donald and Frances Winters School of Music, and the School of Nursing. Each of these schools has a dean responsible for its direction.

GRADUATE PROGRAM

William Carey College offers a program of graduate studies leading to degrees in selected areas of teacher education (M.Ed.), business (M.B.A.), and psychology (M.S.). All degrees are available in Hattiesburg and Gulfport. Information related to the graduate programs of the college is set forth in a separate catalog.

For information or a graduate catalog, contact the Graduate Office, William Carey College, 498 Tuscan Avenue, WCC Box #3, Hattiesburg, MS 39401-5499 or William Carey College on the Coast, 1856 Beach Drive, Gulfport, MS 39507.

ACADEMIC GUIDANCE PROGRAM

William Carey College provides a guidance program for students through faculty conferences. Conferences are designed to assist students in the choice and mastery of academic subjects.

1. Each student is assigned to a member of the faculty who serves as advisor. Chairs or deans of the various departments or schools of the college are responsible for assigning advisors for their major students.

2. A program of orientation for all new students is provided.
 - (a) An introduction to student life is provided by the dean of students.
 - (b) Diagnostic tests are administered to new students prior to registration. Tests are administered in the following areas: English composition, reading, and mathematics.
 - (c) Results of the required placement tests are used to recommend appropriate courses for students.

CLASSIFICATION OF STUDENTS

The undergraduate academic work of William Carey College is organized into four classes: the freshman class (29 semester hours or less), the sophomore class (30-59 hours), the junior class (60-89 hours), and the senior class (at least 90 hours or graduating the following summer).

GENERAL ACADEMIC REGULATIONS

REQUIREMENTS AND REGULATIONS FOR ALL DEGREES

1. **English Proficiency Examination.** All students must take the English Proficiency Examination upon completion of ENG 101-102. Any student who fails the examination must register for and satisfactorily complete English 105.
2. **Computer proficiency.** All students must demonstrate computer proficiency by passing a computer skills proficiency examination or by completing at least one computer course. The computer course must focus on some aspect of computing that requires knowledge and skills in the basic use of computers.
3. **Graduation requirements may be met under any catalog in effect during the student's enrollment within six years of graduation.** Community/junior college students transferring directly to William Carey College under admissions standards in the current catalog may elect to follow the academic policies in the immediately preceding catalog, provided they were enrolled at the community/junior college at that time. Students seeking teacher or nursing licensure should follow currently approved programs.
4. **Second degree.** Students desiring to earn a second undergraduate degree must complete the core requirements for the additional degree plus a second major. At least 30 semester hours beyond the minimal 128 semester hours required for the first degree must be earned.

5. **Upper-level hours.** Forty hours in courses numbered 300 or above are required. (Courses transferred from community/junior colleges will not be counted as upper-level hours.)
6. **Upper-level hours in the major field or concentration(s) field.** At least 50 percent of the required hours in the major field or a B.G.S. concentration must be upper-level hours.
7. **A minimum of 25% of the course credit** required for a degree must be earned at William Carey College.
8. **The last 30 semester hours** for any degree must be done at William Carey College. An alternate way to meet this requirement is to take at least 48 upper-level hours of work at William Carey College.
9. **Upper-level hours in the major or concentration(s)** earned at William Carey College must total at least 12; students with two concentrations in the B.G.S. may achieve this upper level requirement through any combination of the 12 hours.
10. **Hours in the minor** earned at William Carey College must total at least six.
11. **An average grade of C** or above on the total academic hours attempted is required.
12. **An average grade of C** or above on all of the work done at William Carey College is required.
13. **An average grade of C** or above on courses in the major and minor fields is required.
14. **Application for degree.** Students who are candidates for May degrees are required to file applications for their degrees in the registrar's office by January 31 prior to graduation. Candidates for February degrees on the New Orleans campus must file applications for their degrees by October 15. Candidates for August graduation must file application for their degrees by March 31. Late applications may be taken within 30 working days of these deadlines. There will be a \$50 late fee in addition to the graduation fee.
15. **Graduation ceremony.** Degrees are not conferred in absentia, except by special permission of the vice president of academic affairs.
16. **A maximum of nine hours in directed readings and independent study** courses may count toward a baccalaureate degree.
17. **Only eight activity credit** hours from PEG courses may count toward a degree. Activity credit for PEG courses are those semester hours awarded for participation in cheerleading, intercollegiate baseball, softball, basketball, golf, and soccer. Courses of this nature in which academic instruction occurs are not included.

18. Nursing students must have a grade of C or above in all nursing courses. Education students must have a grade of C or above in all education courses.
19. The first six repeats at William Carey College will count as grade replacements. Thereafter, all grades will be calculated in the grade point average.
20. A maximum of 64 semester hours earned in a community/junior college may be applied toward a degree at William Carey College.
21. Students who wish to repeat courses taken at William Carey College must repeat those courses at the college in order to receive the repeated course's credit and quality points. The last William Carey College grade earned on a repeated course is the grade counted toward the degree requirements and in the grade point average.
22. When courses are repeated, whether resident or transfer credits, the last grade earned is the one that is counted for degree requirements and in the grade point average, but previous grades will remain on the record.

TRIMESTER CALENDAR

William Carey College operates on a trimester calendar. The semester hour is the unit of credit.

All courses meet one hour and 15 minutes per week for each semester credit hour unless different meeting hours are specified in the course descriptions. The trimester is 11 weeks long, consisting of ten weeks of class and one week of final examinations, except during the summer when the term consists of a total of ten weeks.

TRANSFER CREDITS

A maximum of 64 semester hours earned in a community/junior college may be applied toward a degree at William Carey College. Once students have reached junior standing (i.e., with 60 semester hours) they may not transfer a course from a community/junior college except by special permission of the vice president of academic affairs.

Students enrolled at William Carey College who wish to earn credits at another college must make an application in advance to the vice president of academic affairs through their dean/advisor. The student must be in good standing at William Carey before permission will be granted to take a course elsewhere during any term.

Grades of D will not transfer if the student has a cumulative grade point average on all transfer credit for all college work attempted of less than 2.0.

CREDIT BY EXAMINATION

William Carey College awards college credit to students through CLEP examinations and Advanced Placement Testing. Requirements are listed below.

Credit obtained by all CLEP and Advanced Placement examinations may not exceed 30 hours. Credit by CLEP may not be earned for a subject in which more advanced credit has been earned. Credit by CLEP may not be earned for a course if the prerequisite courses have not been taken.

CLEP General Examinations. Students may, prior to or during their first term of enrollment (for part-time or summer students prior to having completed 15 hours), obtain degree credit for satisfactory performance (minimum score—scaled score of 500) on one or more of the CLEP General Examinations, provided the student has not been enrolled in a comparable course for more than 30 calendar days. Six semester hours of credit may be obtained for each of the four General Examinations areas: humanities, mathematics, natural sciences, and social sciences-history.

All credit by CLEP General Examination is elective credit.

CLEP Subject Examinations. William Carey College grants credit for CLEP Subject Examinations in lieu of enrollment in equivalent courses which are applicable to the degree program in which the student is enrolled. The minimum scaled score for each Subject Examination is determined by the appropriate academic department. Students may take Subject Examinations at any time during their college career, provided they have not been enrolled in the equivalent course for more than 30 calendar days. Credit may not be received for both the Subject Examination and its equivalent, either in another examination or in a course taken for credit. To receive credit for Freshman English 101, a student must take Freshman College Composition with essay. The essay portion of the CLEP Subject Examination will be graded by the department of language and literature at the college.

Credit by examination may not exceed eight semester hours in any area or discipline except in foreign language which has a maximum of 12 hours. Such credit may be entered on a record only after the student has earned 12 hours of credit in classroom courses at William Carey College.

Advanced Placement. Credit may be granted by examination on the College Board Advanced Placement Testing Program. No credit will be awarded for scores less than 3, and some academic departments may require a higher score than 3.

CORRESPONDENCE CREDIT

Correspondence credit will not be accepted in the department of the student's major unless it is in addition to the minimum credit required for the major. All correspondence credit must be approved by the chairman of the major department and must carry a grade of at least C. Transcripts for correspondence credits to be used to meet graduation requirements must be received by the registrar at least two weeks prior to the date of graduation. Correspondence credit is limited to six semester hours for a degree.

AUDITING COURSES

A student who does not need or wish to obtain credit may attend a class as an auditor. Students who audit a course are expected to attend class on a regular basis and meet other requirements prescribed by the instructor. The credit option (audit to credit or credit to audit) may not be changed after the deadline for adding courses for credit. The fee for auditing is one-half the regular tuition.

LISTENER'S LICENSE

With permission of the instructor, regular classes may be taken as a listener. Class participation is limited, and the course does not appear on the transcript. There is no fee to be a listener at William Carey College.

EXAMINATIONS, GRADES, AND QUALITY POINTS

1. Examinations are given during the last week of each trimester.
 - a. No final examination may be held at any other time than that designated by the administration. A final examination by special arrangement may be given only by permission of the vice president of academic affairs. A fee of \$25.00 per exam is charged for this service.
 - b. All fees must be paid before examinations may be taken.
2. No student will be granted a transcript of any kind until the account is settled in the business office.
3. Grades are issued to students only.

Grades and Quality Points per Semester Credit Hour

A	Excellent	4
B	Above average.....	3
C	Average.....	2
D	Below average.....	1
F	Failure.....	0
I	Incomplete	0
P	Pass	0
R	Repeat.....	0
N	Course in progress	0
W	Course dropped in the third week of the trimester	0
WP	Withdrew passing	0
WF	Withdrew failing.....	0

A grade of "I" (incomplete) will be assigned only when unavoidable circumstances prevent completion of the work of the course on schedule. When the work is completed satisfactorily, the "I" may be changed to any grade. If a grade of "I" is not changed to a passing grade by the end of the next trimester, it will automatically be changed to "F."

Any junior or senior student is permitted to take one course each trimester on a pass/fail basis. Approval of the instructor is required. The course must be selected at the time of registration, and it must not be in the student's major or minor fields or in the core curriculum requirements for all degrees. A total of four courses may be taken on this basis.

Students taking developmental courses (English 100, English 105, Mathematics 100 or Study Skills) will receive grades of "P" for passing and will receive credit for the course, or a grade of "R" which indicates they must repeat the course.

COMPUTATION OF GRADES

Grade point averages are based on the number of hours attempted rather than the number of hours passed. This will include all hours attempted at William Carey College and all transfer credits. Grades of "I" (current) "N," "P," "R," "W," and "WP" will not be counted in the total hours attempted.

ACADEMIC DISCIPLINE

Total Hours attempted	GPA required to be in good standing
0-30	1.40
31-59	1.70
60 and above.....	2.00

The grade point average needed for academic good standing will be based on William Carey College credits only, but the hours attempted will be based on William Carey College credit plus all transfer credits. Students not meeting

the minimum standards as set forth will be placed on academic probation. Students on academic probation may not register for more than ten hours for the trimester. When a student attains the required academic average on all work, the student is officially removed from the probationary status. If a student is on academic probation for two consecutive trimesters, the student will be suspended. Letters of probation and suspension will be mailed shortly after the end of each trimester excluding the summer session. Suspended students who feel they have extenuating circumstances may appeal to the credits committee. A student who is suspended may apply for readmission after one academic trimester. The applicant for readmission should meet the minimum academic standards required of current and transfer students.

SCHOLASTIC HONORS

President's List and Dean's List. Those meeting the following requirements are included in the President's List and Dean's List.

1. The student must carry no less than nine semester hours of work exclusive of MUG, PED, PEG courses and THE 160, 260, 261, 360, and 361 during the trimester on which the scholastic average is based.
2. The scholastic average must be 4.0 for the President's List and at least 3.5 for the Deans' List.
3. The grades for the trimester on which the scholastic average is based must include no grade lower than C or an incomplete.

Graduation Distinctions. To receive graduation distinctions, a student must earn grades on at least 60 hours in college, at least half of which must be earned at William Carey College.

1. A student who has earned a 3.6 grade point average graduates *cum laude*.
2. A student who has earned a 3.8 grade point average graduates *magna cum laude*.
3. A student who has earned a 3.9 grade point average, with no grade below B, graduates *summa cum laude*.

Placement in each graduating class is determined for students who have completed a minimum of 64 hours at William Carey College.

Graduation Honors. To receive graduation honors, students must complete an honors thesis in their major area of study. A student may register for honors thesis only by invitation of a faculty member who wishes to supervise the thesis. Students must register for the honors course numbered 499 in their major area. Students may register for the thesis course two or three times, as their work continues for two or three trimesters. Each thesis, if finally approved by the student's major area faculty and the honors committee, is recognized for either three or six hours credit, entitling the student to graduate with honors in the major area.

ACADEMIC CREDITS AND COURSE LOADS

The maximum course load on the trimester system is 12 semester hours. Students on the Dean's List (scholarship average 3.5 or better) may take a maximum of 13 semester hours. Exceptions must be approved by the vice president of academic affairs. No student may take more than 15 hours during any trimester from any combination of courses.

A full-time student is one taking a minimum of nine semester hours during a trimester. A half-time student is one taking a minimum of five semester hours but less than nine during a trimester.

The maximum amount of work which may be earned in one five-week term of the summer session is seven hours. Loads for mini-term and specially scheduled courses vary with length of courses.

A student should attempt to complete all core curriculum by the end of the second year in college. First-trimester freshmen and transfer students **must take ENG 101-102 consecutively and sequentially until completed.** English requirements include the English Proficiency Examination, which should be taken the trimester after successful completion of ENG 101-102.

ATTENDANCE REGULATIONS

Students are expected to attend classes. Excessive absences may seriously affect the work of the whole class as well as that of the individual students who are absent. Individual faculty members set their own attendance regulations for their classes and inform their students of them; however, students must attend 75% of the class meetings in order to receive credit for the course. The total number of absences of each student shall be reported for each class by each faculty member at time of filing trimester grade rosters.

CHANGE OF CLASS SCHEDULE (Dropping and Adding Courses)

1. No change of schedule, either in dropping a course or adding a course, may be made except by permission of the student's academic advisor and dean. Schedule changes that affect total hours may impact financial aid.
2. No student may register for a course after 10% of class meetings have occurred.
3. Courses dropped **within the first three weeks** of a trimester will be recorded as "W" (withdrawn). Courses dropped **after three weeks and before the middle of a trimester** are recorded as "WP" (withdrawn passing) or "WF" (withdrawn failing), and courses dropped **after the midterm** will receive a grade of "F." Any student dropping a course at any time without the required approval receives an "F" in that course.

4. Courses offered in mini-terms or with special schedules will have add/drop dates proportionate to length of course.
5. For related fees/refunds, see Financial Information—Student Expenses and Tuition Refund Policy.

WITHDRAWAL FROM THE COLLEGE

1. All students who desire to withdraw from the college must file a written request form and obtain permission from the vice president of academic affairs. Resident students must also obtain permission of the vice president of student services.
2. Refunds upon withdrawal will be made only on condition that official permission has been granted. (See Tuition Refund Policy.)

COURSE NUMBERING SYSTEM

Each course is identified by a three-digit number. Generally, the first digit indicates the level of instruction: "1" for freshman, "2" for sophomore, "3" for junior, and "4" for senior. The letter "H" added to any course number indicates an honors section.

The numbers 190, 290, 390, and 490 are used throughout the college's curriculum to designate courses that are named when taught.

The numbers 193, 293, 393, and 493 are used in some departments to designate workshops that are named when offered. A workshop numbered in this manner gives one to three hours of credit.

The numbers 149, 249, 349, and 449 are used to designate courses in independent study or directed readings.

The number 480 designates courses in curricular practica.

The number 497 designates courses in curricular internships.

The number 499 is used to designate an honors thesis or a leadership project. A student may register for it only on invitation of a faculty member who wishes to supervise it. Normally the student registers for 499 two or three times, and the work continues for two or three trimesters. Each thesis or project, if finally approved by the student's department and the honors committee, is recognized for either three or six hours credit and entitles the student to graduate with honors in the major subject.

TRANSCRIPTS

Transcripts are issued by the registrar's office.

1. An official transcript is one bearing the signature of the registrar and the seal of the college and is mailed directly to whatever official may be designated by the student.
2. When a transcript bearing the stamp "Issued to Student" is given to the person whose credits are transcribed thereon, the college assumes no responsibility for its accuracy after it leaves the registrar's office.
3. Transcripts of credit will not be issued for those students who have any type of administrative holds on their records.

UNDERGRADUATE DEGREES

William Carey College offers seven undergraduate degrees: Bachelor of Arts (B.A.), Bachelor of Fine Arts (B.F.A.), Bachelor of Science (B.S.), Bachelor of Music (B.M.), Bachelor of Science in Business (B.S.B.), Bachelor of Science in Nursing (B.S.N.), and Bachelor of General Studies (B.G.S.). **All degrees require the successful completion of at least 128 semester hours.**

MAJORS AND MINORS

The major represents the primary area of academic emphasis. With the exception of the Bachelor of General Studies degree, majors are required in all academic programs. Academic majors have a maximum of 42 semester hours except for those majors affected by accreditation standards (i.e. education, music, nursing) or professional competency expectations (i.e. art, business, theatre). A minor is a secondary area of emphasis outside the major, and minors are required of all students whose majors have 42 hours or less. A concentration is an area of emphasis within a major. Concentrations are not offered in all academic programs. The number of hours required in majors, minors, and concentrations vary, and specific requirements are listed by school and department.

The Bachelor of General Studies degree requires either one 36-hour or two 18-hour emphasis areas. The emphasis areas within the Bachelor of General Studies degree are called concentrations. No minor is required for this degree.

The following majors, minors, and concentrations are offered.

ACADEMIC PROGRAM FOR THE GULFPORT CAMPUS

William Carey College on the Coast offers all of the college's undergraduate degrees except the Bachelor of Music (B.M.). All academic programs are designed to prepare graduates for positions of leadership in their communities and entry in their chosen professions. Majors currently offered on the Gulfport campus include art, business administration, elementary education, nursing, and psychology. Licensure to teach in the State of Mississippi is available on the Gulfport campus in elementary education and art education.

The Bachelor of General Studies (B.G.S.) degree program is also available for students desiring a nontraditional blend of studies. The B.G.S. degree offers more flexibility in the core requirements, and dual areas of concentration from academic or technical courses of study may be selected in the B.G.S. degree.

ACADEMIC PROGRAM FOR THE NEW ORLEANS CAMPUS

William Carey College's New Orleans campus, located at the New Orleans Baptist Theological Seminary, offers only the Bachelor of Science in Nursing (B.S.N.) degree.

THE WILLIAM CAREY COLLEGE LIBRARY SYSTEM

Kyle S. Jones, Ed.D., Director

Public Services Librarian Myers; Technical Services Librarian Yuen; Regional Librarian Gossage; Library Assistant Morrison; Administrative Assistant Cummins

The goal of the William Carey College Library System is to support the curriculum and research needs of students and faculty through the provision of comprehensive resources, services, and facilities. Library resources are available to anyone; however, borrowing privileges are restricted to Carey students, faculty, staff, and resident Mississippi ministers. These constituents may borrow books from any of the library system libraries, and interlibrary loan services are maintained to expedite sharing of resources between the I. E. Rouse Library and regional libraries.

Professional librarians are available at each campus library location to provide information services and instruction in the use of the library.

A cooperative agreement provides expeditious loan services for William Carey College students between the libraries at Hattiesburg and Gulfport and the libraries of the University of Southern Mississippi. Information may be obtained at the William Carey College libraries.

THE I. E. ROUSE LIBRARY

The I. E. Rouse Library, on the Hattiesburg campus, holds approximately 110,000 resources including books, periodicals, music scores, microforms, phonodiscs, and other library materials that support the academic program. The library has a computer lab with Internet access, microform readers, music listening stations, photocopy services and audio-visual resources. Indexes to periodical literature are available electronically through FirstSearch, CD-ROM, and print formats. The UMI electronic databases provides over 2,300 full-text journals plus many other titles with abstracts. Britannica Online is also accessible in full-text format. Online abstract databases include: MLA, CINAHL, and PsycInfo.

The I. E. Rouse Library also holds the Clarence Dickinson Collection, which is centered around church music. It contains 5,600 items which include books, scores, manuscripts, microforms, phonodiscs, tapes, paintings, and memorabilia.

THE MCMULLAN LEARNING RESOURCES CENTER

The McMullan Learning Resources Center, on the Gulfport campus, holds approximately 18,000 volumes, plus a substantial inventory of periodicals. The I. E. Rouse Library card catalog is duplicated here and allows Coast students to have access to the William Carey College Library System's holdings. Internet access and photocopying service are available, and fax machines connect the Hattiesburg and Coast libraries.

THE NEW ORLEANS LEARNING RESOURCES CENTER

The New Orleans Learning Resource Center, located on the campus of the New Orleans Theological Seminary, serves the students and faculty of the School of Nursing at New Orleans. Internet access and photocopying are available and fax machines are used for copies of documents from the main library. The collection focus is primarily nursing education books and periodicals.

KEESLER

William Carey College has an agreement with the McBride Library at Keesler Air Force Base that gives students and staff in the Keesler program borrowing privileges, reference service, access to all public-service data bases, and use of computers designated for patron use.

DEPARTMENT OF ART

Arthur Williams, D.A. (Chair)

Professors Diket, Williams; Assistant Professors Creyts, Day, Schmuki; Lecturer Dyess

The goals of the department of art are 1) to provide an opportunity to practice, understand, and gain a high level of technical skill with several art media; 2) to offer future teachers of art a thorough foundation and broad experience in several areas; 3) and to prepare majors for graduate work and/or a career. The Gulfport facilities include the Sarah Gillespie Art Gallery, a Macintosh computer lab; metal casting foundry; pneumatic operated equipment; metal fabrication, painting, drawing, ceramic, and sculpture studios. A minor is offered on the Hattiesburg campus.

REQUIREMENTS

The department of art at the Coast campus offers a major and minor in art with programs leading to the Bachelor of Fine Arts degree or the Bachelor of Arts degree.

The following art core courses are required for the B.F.A. and the B.A. degrees:

Art Core

Art History	12 hours (including Art History I and II)	
Drawing	12 hours (B.F.A.), 6 hours (B.A.)	
2D/3D Design	6 hours	
Ceramics	3 hours	
Painting	3 hours	
Printmaking	3 hours	
Sculpture	3 hours	
<u>Senior Seminar</u>	<u>3 hours</u>	
Total	45 hours for the B.F.A.	39 hours for the B.A.

Bachelor of Fine Arts, Art Major: Students interested in preparing for careers in studio art and/or graduate study are encouraged to pursue the Bachelor of Fine Arts degree with a concentration in painting, sculpture, ceramics, graphic design, or combined studio. Eighty-four hours of art are required for this degree.

Art Core

Art Major Concentrations

Painting	30 hours in painting (studio)	
Ceramics	30 hours in ceramics (studio)	
Sculpture	30 hours in sculpture (studio)	
Graphic Design	30 hours in graphic design	
Combined Studio	36 hours (18 hours in two studio areas below)	
	Drawing, Painting, Ceramics, Sculpture, Graphic Design	

Art Electives

balance of required courses

Senior Exhibition Graduating B.F.A. students must participate in a B.F.A. exhibition in the gallery during their senior year

Art core, art major concentration, and art electives must combine to total 84 hours in art.

Bachelor of Arts, Art Major: Students interested in pursuing careers which are broader in academic scope are encouraged to pursue the art major within the Bachelor of Arts degree with a concentration in art education or art. There are 51 hours required in art for this degree plus a minor in another discipline.

Art Core	39 hours
Art Major Concentration	12 hours
Art Education	12 hours (6 additional hours of drawing plus ART 319 and EDU 446); requirements for educational certification must be met.
Art	12 hours

Art Minor: Eighteen hours in art to include: ART 101, 108, 109, 403, plus 6 upper level hours.

Note: Education majors who desire a heavy studio concentration should consult with the art department about a B.F.A. with teacher certification.

COURSE DESCRIPTIONS FOR ART (ART)

*Studio courses requiring art fee.

101. **Drawing I:** (3 hours) An introduction to drawing as a process of perception and projection. The course also explores visual structures, historical concepts, and contemporary movements.
102. **Drawing II:** (3 hours) An introduction to the study of the human figure as an expression and reflection of nature.*
108. **2-D Design:** (3 hours) A basic course in the study of two dimensional work, this course includes a study of vocabulary and the elements of two dimensional design.
109. **3-D Design:** (3 hours) A basic course in the study of the third dimension, this course includes vocabulary, techniques, materials, and the elements of three-dimensional design.*
121. **Sculpture I:** (3 hours) Introduction to sculpture including plaster, modeling, metal casting, and stone carving.*
131. **Painting I:** (3 hours) An introduction to the basic concepts and procedures in painting.
200. **Art Appreciation:** (3 hours) An introduction to the visual arts of the Western World. Lecture and discussion on the materials, forms and processes of art with the aim of giving insight into the functions and content of art objects.
215. **Photography:** (3 hours) A creative approach to photography with emphasis on understanding materials and technique. (Students will be expected to provide all required photography equipment.)*

221. **Sculpture II:** (3 hours) A continuation of Sculpture I including an introduction to mold making.*
231. **Painting II:** (3 hours) A continuation of Painting I with an emphasis on color, abstraction, and visual harmonics.
241. **Ceramics I:** (3 hours) Introduction to ceramic materials and processes. Various hand building techniques including pinch, coil, and slab will be emphasized. Basic technical information will be introduced as well as the uses of slips and glazes.*
242. **Ceramics II:** (3 hours) Introduction to the techniques of pottery making and sculpture utilizing the potter's wheel. Glaze making and the glaze firing process will be introduced.*
253. **Typography:** (3 hours) The history and use of type as it applies to advertising design and visual problem solving. Acquaints the student with type and typesetting, and basic production techniques for one and two color printing. Prerequisites: Drawing 101, 102 and Design 108.*
254. **Computer Graphics:** (3 hours) A study of the fundamentals of computer assisted graphic design, basic computer literacy and keyboarding. This course introduces the student to the computer through the Mac basics. Trouble shooting and maintenance will be emphasized. Prerequisite to graphic design courses requiring computer use.*
301. **Drawing III:** (3 hours) An in-depth study of specific concepts and processes. Students explore the development of content and composition.
302. **Drawing IV:** (3 hours) This course involves each student developing a body of drawings with an emphasis on individual vision and expression.
- 303, 304. **Drawing V, VI:** (3 hours each) These courses concentrate on development of a personal technique. A mastery of materials and content is also emphasized. Larger scale and advanced techniques are explored as the student progresses.
319. **Art in the Elementary School:** (3 hours) A study of the basic elements of art and how art can be used by the elementary classroom teacher.
322. **Sculpture III:** (3 hours) A continuation of sculptural skills including woodcarving and pneumatic tools.*
323. **Sculpture IV:** (3 hours) Advanced techniques with the student's choice of materials. Welding techniques are introduced.*
- 324, 325, 421, 422, 423, 424. **Sculpture V, VI, VII, VIII, IX, X:** (3 hours each) The development of a personal technique and mastery of material with an emphasis on content. As the student progresses, larger scale works and advanced techniques are explored.*
332. **Painting III:** (3 hours) An introduction to concepts in watercolor and technique.
333. **Painting IV:** (3 hours) This course involves each student in developing a body of painting that emphasizes individual vision and expression.

- 334, 335, 431, 432, 433, 434. **Painting V, VI, VII, VIII, IX, X:** (3 hours each) These courses concentrate on development of a personal technique. A mastery of materials and content is also emphasized. Larger scale and advanced techniques are explored as the student progresses.
341. **Ceramics III:** (3 hours) Continued development upon hand building and/or potter's wheel. Studio assignments will expand on skills covered in Ceramics I and II. There will be a focus on glaze formulation and development. The student will complete an individual investigation on an aspect of ceramic history.*
342. **Ceramics IV:** (3 hours) Emphasis on craftsmanship and scale within the given hand built/wheel thrown assignments. Emphases on the quality of the hand made object as well as the concepts of utility, usage, and sculpture in the ceramic medium. The student will be expected to continue to investigate glaze formulation with an emphasis on various surface treatments.*
- 343, 344, 441, 442, 443, 444. **Ceramics V-X:** (3 hours) Advanced ceramic courses designed to offer the serious ceramics student time and direction to complete an in-depth investigation cumulating in a cohesive body of work. The instructor must agree upon the direction taken by the student. The course will also cover areas of ceramic history, contemporary issues in art, and the student's professional development.*
351. **Serigraphy:** (3 hours) An introduction to screen printing including photostencil methods.
353. **Advertising Design I:** (3 hours) An introduction to the principles, techniques, media tools and skills used in graphic design field. An overview of the advertising industry. Creative brainstorming from thumbnails to marker compositions to finished art will be emphasized.*
354. **Computer Imagery:** (3 hours) Covers the use of the computer as a tool to create images that address the needs of the visual communications field. Through hands-on training in Quark Xpress, PhotoShop and Illustrator, the student will be able to create from one page advertisements to multi-page documents.*
355. **Graphic Illustration:** (3 hours) Explores the creative process as it applies to advertising and editorial illustration. Traditional techniques will be used to create illustrations for various types of print advertising.*
356. **Graphic Illustration II:** (3 hours) Advanced illustration methods explored. Students will learn the intermediate and advanced illustration techniques in traditional and in the most current graphics program.*
362. **History of Art I: Prehistoric through Gothic Art:** (3 hours) An introduction to the art and architecture of pre-historic man, the ancient world (Mesopotamia, Egypt, the Aegean), Greece and the Roman Empire through early sixth century, Christian medieval art (Middle Ages) styles, function and meaning of the individual works of art are discussed.
364. **History of Art II: Renaissance through Twentieth Century Modern Art:** (3 hours) An introduction to Western European art and architecture in the Renaissance, the

Baroque, the Enlightenment up to and including the 20th century, styles, function, and meaning of the individual works of art are discussed.

403. **History of Twentieth Century Art:** (3 hours) A concentration on the art and architecture of the 20th century. This course explores abstract art (early phase), fantasy in art, traditional realism, post-World War II trends, post-abstractism (modern) up to and including contemporary time.
408. **History of Art of the Southern States:** (3 hours) An historic overview of elements that make up Southern regional art. This course examines the art and architecture and includes an investigation into the rich folk art and the craft traditions in the South. It explores the art and writings of Gulf Coast artist Walter Anderson, George Ohr, and other southern artists from the past up to and including contemporary time.
451. **Woodcut:** (3 hours) An introduction to woodcut techniques including the linoleum block.
453. **Advertising Design II:** (3 hours) Advanced computer techniques, typography and advertising concepts will be used to create images for visual communications such as presentations and print.*
454. **Advertising Design III:** (3 hours) Covers advance principles, practices and web page design skills in the graphic design industry. Students will construct a 4-color project and output the file to separations at an off-campus site in high resolution. Trapping and postscript files will also be discussed.*
455. **Advertising Design IV:** (3 hours) Continuation of individual studies in portfolio preparation. Students will concentrate on finished art for a directed portfolio.*
456. **Psychology of Advertising:** (3 hours) By studying the effects of stimuli on human behavior the student will learn to create advertising that motivates a particular target market. The student will complete an advertising proposal for a specific market based upon the research completed in this course.*
461. **Senior Seminar:** (3 hours) Lectures and demonstrations by departmental artists and guest artists including preparation of slide portfolio and a written resume, examination of graduate school and entrance requirements; designing a personal studio, preparing an exhibition, exhibiting and marketing art work through galleries and museums
- 481, 482. **Apprenticeship in Art I, II:** (3 hours each) An off-campus program prepared and monitored on an individual basis. It is to give practical experience in the everyday practice of art. When possible, the student is assigned as a helper to a professional artist.
485. **Research in Art:** (1-9 hours).
497. **Internship in Art:** (1-9 hours) An off-campus program prepared and monitored on an individual basis. Internships are designed to provide practical experience in the arts. (Offered with consent of department head.)

*Studio courses requiring art fee.

SCHOOL OF ARTS, HUMANITIES, AND SCIENCES

DEPARTMENT OF BIOLOGICAL SCIENCES

Randall K. Harris, Ph.D. (Chair)

Professor Martin; Associate Professor Harris; Assistant Professors Bailey, Singletary; Clinical Professors Covington, Cavett

The department of biological sciences provides core curriculum courses in the biological sciences and appropriate undergraduate-level training for students planning careers in biological science, health related science, and science education. Students majoring in biological science will acquire a broad knowledge of the general principles of biological science to include the interrelationships of living organisms within the biosphere and the ways human populations impact these relationships. In the laboratories students develop skills in the use of the techniques and instrumentation used in modern biological science. These experiences provide optimum preparation for graduate study or careers as a professional biologist or a biology teacher. Health related programs or pre-programs provide counseling and training relative to gaining admission to the clinical phases of the programs or career advancement within a particular health related profession.

Bachelor of Science degrees are offered with majors in biology and health related professions. Biology majors may choose an emphasis in microbiology or follow a curriculum leading to teacher certification in biology. All majors must fulfill the core curriculum requirements for the Bachelor of Science (B.S.) degree.

REQUIREMENTS

Biology Major: Required courses include BIO 103-104, 250, 260, 309, 310, 403, 419, 470, 480, three hours of upper level (300/400) biology electives, and a minor in chemistry composed of CHE 111-112, 211-212, 405. Recommended general electives include PHY 101-102, MAT 132, 151-152, 220, and BUS 102.

Biology Major, Microbiology Emphasis: This emphasis is designed to allow students to take the National Registry of Microbiologists exam as a Conditional Registrant (i.e. no work experience). Exams are offered in the areas of Clinical and Public Health Microbiology or Consumer Products and Quality Assurance Microbiology. Eligibility requirements for the exams are a minimum of a baccalaureate degree in the biological sciences with 12 additional hours selected from the following courses: BIO 412, 413, 415, 416, and 420.

Biology Major, Teacher Licensure: To be licensed to teach biology and general science at the secondary level, a student must meet the following requirements: 1) complete all core curriculum requirements for the Bachelor of Science [B.S.] degree, 2) complete all professional requirements mandated by the State of Mississippi licensure standards, and 3) complete the requirements for the major in biology with the exception of the chemistry minor. In place of the chemistry minor, students must complete a minor in education. Also, the degree program must include CHE 111-112, PHS 151, 201, and either PHY 101 or four additional hours in chemistry. Students must be advised from both the department of biological sciences and the department of education.

Biology Minor: Students must take a minimum of 18 semester hours of BIO/HRP/MTC courses. At least six hours must be upper level (300/400).

DEGREE PROGRAMS IN THE HEALTH PROFESSIONS

Health Related Professions Major: This curriculum provides a Bachelor of Science degree for individuals who are certified (registered or licensed) in a health related profession by an approved agency. To qualify for this program the student's professional education must equal at least 48 academic semester hours (one lecture hour, two laboratory hours; three clinical hours will be considered to equal 1/15th of an academic semester hour). As an alternative, students with fewer than 48 hours may apply these hours toward a minor in biology.

1. Major Requirements

A maximum of 30 semester hours in the major can be awarded as a result of certification. The specific number awarded will be one-half the number of academic semester hours calculated from the student's professional education up to the 30-hour maximum. Relevant upper-level biological science courses will be taken as advised to provide a minimum total of 40 semester hours in the major. The hours should include the following courses: HRP 302, 303, 304.

2. General Health Related Professions Requirements

At least 30 hours in science are required, including two courses in anatomy and physiology, one course in microbiology, one course in pharmacology, one course in pathology, one course in genetics or cell physiology, and two courses in chemistry or chemistry/physics. Equivalent professional coursework will be given consideration when possible.

3. Secondary Area of Concentration

A secondary area of concentration in business, psychology, or gerontology is strongly recommended. A minimum of 18 semester hours should be taken in the selected area and at least six hours must be upper-level. These courses may be used to fill minor and/or core requirements.

4. College Core Requirements

See the core curriculum for the Bachelor of Science degree.

Microcomputer applications, statistics and counseling psychology are recommended electives.

Health Related Professions Major, Medical Technology Emphasis: Before entering the clinical phase of the program, students must take a minimum of 20 hours of biology courses to include BIO 234 or 101 or 103 and 235 or 309, 260, and 419; a minimum of 20 hours of chemistry courses to include CHE 111, 112, 211, and 405; a minimum of ten hours of BIO/HRP courses to include any two courses from the group HRP 101, 302, 303, 304, plus BIO 415, and complete all other college requirements for the Bachelor of Science degree. Recommended science electives include BIO 104, 310, 312; CHE 212, 301, 415.

The senior year will be taken at a hospital site and consists of 12 months of professional didactic and clinical training in a medical technology program accredited by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS). The clinical site is Mississippi Baptist Medical Center in Jackson, Mississippi. Students must carry personal health insurance during their clinical year. Admission is competitive and requires a minimum GPA of 2.7 overall and in the science courses with at least a C in an required science courses. During the clinical phase of the program students will take MTC 420, 430, 440, and 450 for a total of 36 semester hours (each course is 9 hours). Upon satisfactory completion of the clinical phase of the program students will be eligible for national certifying exams including those administered by the American Society of Clinical Pathologists and the National Certification Agency.

PRE-PROGRAMS IN THE HEALTH PROFESSIONS

Pre-Medicine: Course requirements for admission to various medical schools are similar. They include specified courses in biology, chemistry, English, mathematics, and physics. Students should plan to complete a baccalaureate degree with a major and minor of their choice. Normally, the Medical College Admission Test (MCAT) is taken in the spring of the junior year and applications for medical school are submitted the following summer. Pre-medical students should have both an academic and pre-medical advisor. Minimum course requirements are as follows: BIO 103-104; CHE 111-112, 211-212; ENG 101-102; MAT 131-132 or 6 hours of advanced mathematics electives; PHY 101-102 or 211-212; 8 hours of advanced science electives (laboratory required) and 37 additional hours of approved general electives.

Pre-Dentistry: Course requirements for admission to various dental schools are similar. They include specified courses in the behavioral sciences, biology, chemistry, English, mathematics, and physics. Students should plan to complete a baccalaureate degree with a major and minor of their choice. Normally the American Dental Association Dental Admission Test (DAT) is taken in the spring of the junior year and applications for dental school are submitted the following summer. Pre-dental students should have both an academic and a pre-dental advisor. Minimum course requirements are as follows: 6 hours of behavioral science (PHI 201, PSY 201, SOC 101); BIO 103-104; CHE 111-112, 211-212; ENG 101-102, 211-212; MAT 131-132 or 6 hours of advanced mathematics electives; PHY 101-102 or 211-212; 4 hours of advanced biology or chemistry (laboratory required) and 29 additional hours of approved general electives.

Additionally, pre-professional curricula for the Health Related Professions including pre-cyrotechnology, pre-dental hygiene, pre-occupational therapy, pre-optometry, pre-pharmacy, pre-physical therapy, pre-respiratory therapy, and pre-veterinary medicine are available. The pre-professional advisor will assist the student in meeting the specific requirements for admission to a particular professional school.

COURSE DESCRIPTIONS FOR BIOLOGY (BIO)

- 101. General Biology I:** (4 hours) A course introducing students to biological principles including chemistry, the structure and function of cells, heredity, and an introduction to tissues. A one semester hour laboratory experience is included.
- 102. General Biology II:** (4 hours) A continuation of BIO 101. The course deals with structure and function in organisms, population studies, ecology, and the environment. A one semester hour laboratory experience is included. Prerequisite: BIO 101.

103. **General Zoology I:** (4 hours) General biological principles and processes are emphasized as well as development, form, and functions of animal systems. A one semester hour laboratory experience is included.
104. **General Zoology II:** (4 hours) Particular attention is given to morphologic and phylogenetic adaptations and ecological relationships of vertebrates and invertebrates. A one semester hour laboratory experience is included. Prerequisite: BIO 103.
234. **Anatomy and Physiology I:** (4 hours) A general study of the anatomy and physiology of the cells, tissues, the skeletal system, the cardiovascular system, and muscles of the human body. A one semester hour laboratory experience is included.
235. **Anatomy and Physiology II:** (4 hours) A study of the nervous, digestive, respiratory, endocrine, and urogenital systems. A one semester hour laboratory experience is included. Prerequisite: BIO 234.
250. **Botany:** (4 hours) A course introducing structures, function, and classification of plants. A one semester hour laboratory experience is included.
260. **General Microbiology:** (4 hours) A general survey of bacteria and allied microorganisms. The role of microorganisms in nature, health, food preservation, and industry is considered. Basic techniques of preparation of media, culturing, sterilization and staining are taught in the laboratory.
306. **Introduction to Pharmacology:** (3 hours) An overview of the physiological action of drug groups including intended action, side effects and toxicology. Practical information on dispensing dosages, administration, and regulation is included.
309. **Vertebrate Form and Function:** (Five Hours) The anatomy, physiology, behavior, and ecology of vertebrate taxa are considered in a broad-based integrative approach to understanding how vertebrates provide for their biological needs. The material is presented in phylogenetic order from fishes to mammals. The laboratory involves a system-by-system dissection of representative vertebrates and group participation in a physiological experiment. Groups will present oral and written reports of their experimental results.
310. **Genetics:** (4 hours) An introduction to the fundamental principles of heredity with applications to human traits, diseases, behavior, populations, and evolution. A one semester hour laboratory experience is included. Prerequisite: BIO 101 or 103.
312. **Introduction to Pathology:** (3 hours) An introduction to the basic processes of disease on the systems, organs, and cells of the human organism. Prerequisite: BIO 234-235 or 309.
403. **Environmental Biology:** (3 hours) Critical thinking and scientific principles are used in the analysis of environmental issues from a social, political, economic, and natural science perspective. Issues such as population growth, global climate change, worldwide loss of habitat and biodiversity, pollution, and shrinking fossil fuel reserves are explored. Through participation in interactive projects and activities, students are encouraged to become actively involved in constructive solutions to environmental problems. Students with a minimal science background may take this course.

- 404. Environmental Science Practicum:** (1 hour) Students in BIO 403 who wish to participate in community-based environmental-impact projects may request permission to take this practicum. The projects will not be laboratory dependent, but will involve campus and community field projects. To be taken concurrently with BIO 403. Prerequisite: permission of the instructor.
- 405-406. Biological Research:** (1-8 hours) Provides students the opportunity to pursue further study in a specialized area in collaboration with a faculty mentor. Prerequisite: Permission of instructor.
- 407. Vertebrate Embryology:** (4 hours) An introductory study of vertebrate development. Special emphasis is given to the early development of the frog, the chick, and the pig. A one semester hour laboratory experience is included. Prerequisite: BIO 103-104.
- 409. Vertebrate Histology:** (4 hours) A study of the microanatomy of vertebrate tissues and organs. A one semester hour laboratory experience is included. Prerequisite: BIO 102 or 104.
- 412. Human Parasitology:** (3 hours) A study of the classification of parasites of pathological importance to the human organism, including protozoan cysts, throphozoites, blood parasites, metazoan species, helminths, and medical entomology. A one semester laboratory experience is included. Prerequisite: BIO 260.
- 413. Mycology:** (3 hours) A study of pathogenic fungi. Methods of staining and identifying organisms and the correlation of laboratory data with infectious processes are considered. Prerequisite: BIO 260.
- 415. Diagnostic Bacteriology:** (4 hours) Clinical methods and techniques for identification of pathogenic organisms are presented including specimen handling preparation of media, culturing, sterilization, quality control and laboratory safety. Prerequisite: BIO 260. (May be taken as MTC 415)
- 416. Applied Microbiology:** (4 hours) A study of microorganisms and techniques of significance in industrial and environmental microbiology. The laboratory provides experience with these organisms and procedures. Prerequisite: BIO 260.
- 419. Immunology:** (4 hours) A study of the principles of acquired and natural immunity with references to antigens, antibodies, immune response, complement, and susceptibility. The concepts of mediated immunities and immunopathology are also considered. Prerequisite: BIO 235, 260.
- 420. Virology:** (4 hours) A general study of viruses, their roles in disease, and their applications in molecular genetics and biotechnology. Laboratory experiences demonstrate the basic principles of viral replication and activity. Prerequisite: BIO 260.
- 470. Cell Physiology:** (4 hours) A study of structure and function in eukaryotic cells.
- 480-481. Seminar:** (One Hour Each) Presentations by visiting scientists and senior honors students. One hour of seminar is required for biology majors during their junior or senior year. Prerequisite: Permission of instructor.

COURSE DESCRIPTIONS FOR THE HEALTH RELATED PROFESSIONS (HRP)

101. **A Survey of Health Careers:** (1 hour) A brief review of the educational requirements, professional objectives and opportunities in various health occupations is presented. A practical exposure in a clinical setting will be included whenever possible. (May be taken as MTC 101)
201. **Medical Terminology:** (1 hour) A study of technical terms peculiar to medical science. (May be taken as MTC 201)
302. **Ethics in the Health Related Professions** (1 hour) A basic introduction to theories in ethics and their application to ethical dilemmas in health care including patients rights, euthanasia, allocation of limited resources, and other related topics. (May be taken MTC 302)
303. **Education in the Health Related Professions:** (1 hour) The methods of instruction and measurement are presented as a basis for their application in adult learning situations such as clinical training and patient instruction often required in health careers. (May be taken as MTC 303)
304. **Management in the Health Related Professions:** (1 hour) The theories of management and task maturity are presented as a basis for their application in health professions as encountered in supervision, employee development and departmental planning. (May be taken as MTC 304)

COURSE DESCRIPTIONS FOR MEDICAL TECHNOLOGY (MTC)

- 420., 430., 440., 450. **Laboratory Science I, II, III, IV.** (9 hours each) Coursework includes didactic study and clinical experience primarily in the four major disciplines of clinical chemistry, immunology, hematology and microbiology but also consists of a total exposure to the professional clinical laboratory. Coursework will cover a continuous full-time calendar year divided into four segments coinciding with school registration. Prerequisites outlined in discussion of major.

GULF COAST RESEARCH LABORATORY PROGRAM

William Carey College is affiliated with the Gulf Coast Research Laboratory (GCRL) in Ocean Springs, Mississippi. The GCRL is a nondegree granting institution of higher learning which is administered by the University of Southern Mississippi. The 50-acre site in Ocean Springs is adjacent to the Mississippi Sound and is surrounded by bayous and salt marshes that provide a natural laboratory for researchers and students. The GTCRL focuses on marine research in the disciplinary areas of biology, chemistry, geology, and physics of coastal and continental shelf waters. Research emphasis areas include marine aquaculture, aquatic animal health, aquatic biodiversity and systematics, coastal ecology, fate and effects of environmental pollutants, and fisheries sciences.

The GCRL offers undergraduate summer courses in two 5-week terms which may be taken by William Carey College students for academic credit. Students may enroll in only one course each term, but may earn up to twelve semester hours credit during the

summer. Interested students should obtain more information and application forms from their academic advisor, or from the GCRL website at <http://www.ims.usm.edu>.

SCHOOL OF ARTS, HUMANITIES, AND SCIENCES

DEPARTMENT OF CHEMISTRY AND THE PHYSICAL SCIENCES

Rose G. West, Ph.D. (Chair)

Professor West; Assistant Professor Cummings

The courses in this department are designed to meet the interest and needs of the following students: (1) those wishing to acquaint themselves with some of the fundamental principles of the physical sciences, (2) those whose professional goals require a foundation in chemistry and physics, including those preparing to teach, and (3) those whose major interest is in chemistry.

REQUIREMENTS

Chemistry Major: The courses required for a major are composed of a minimum of 32 hours in chemistry, including CHE 111, 112, 211, 212, and 16 hours of upper-level chemistry courses. Students are encouraged strongly to complete courses in biology, physics, and mathematics. Chemistry majors earn the Bachelor of Science (B.S.) degree or Bachelor of Arts (B.A.) degree.

Chemistry Minor: Eighteen semester hours, including CHE 111, 112, 211, 212 and one of the following: CHE 301, 302, 405, 410, 415, 490, and physical chemistry.

COURSE DESCRIPTIONS FOR CHEMISTRY (CHE)

101. **General Chemistry I:** (4 hours) An introduction to inorganic chemistry designed for the non-chemistry major.
102. **General Chemistry II:** (4 hours) An introduction to organic and biochemistry designed for the non-chemistry major.
111. **Inorganic Chemistry:** (4 hours) The study of the fundamental principles of atomic structure, bonding, gas laws, liquids, solids, and electrochemistry. Prerequisite: MAT 131.
112. **Inorganic Chemistry:** (4 hours) An introduction to thermodynamics, kinetics, acids, bases, and chemical equilibrium. Prerequisite: CHE 111 and MAT 131.
211. **Organic Chemistry:** (5 hours) A systematic study of the compounds of carbon covering hydrocarbons, stereochemistry, aromatic compounds and organic instrumentation. Prerequisite: CHE 111-112.
212. **Organic Chemistry:** (4 hours) A continuation of CHE 211 covering the basic functional groups encountered in organic chemistry. Prerequisite: CHE 211.
301. **Analytical Chemistry I:** (4 hours) Principles and methods of qualitative analysis. Prerequisite: CHE 112.

302. **Analytical Chemistry II:** (4 hours) Principles and methods of quantitative analysis. Prerequisite: CHE 301.
405. **Biochemistry:** (4 hours) A one-semester introduction to the chemistry of biological systems. Prerequisite: CHE 211-212.
410. **Qualitative Organic Analysis:** (4 hours) Emphasis on the systematic identification of pure organic compounds and the analysis of mixtures. Prerequisite: CHE 212.
415. **Instrumental Analysis:** (4 hours) An introduction to instrumental methods of analysis. Prerequisite: CHE 112.

COURSE DESCRIPTIONS FOR PHYSICAL SCIENCE (PHS)

151. **Physical Science:** (3 hours) A basic study of chemistry and physics. Three hours lecture.
201. **Earth and Space Science:** (3 hours) An introduction to astronomy, geology and meteorology.

SCHOOL OF ARTS, HUMANITIES, AND SCIENCES

DEPARTMENT OF HISTORY AND SOCIAL SCIENCE

Myron C. Noonkester, Ph.D. (Chair)

Professors Noonkester, M. Wheeler

In accordance with the stated purpose of the college, this department strives to promote an understanding of past and present human societies.

REQUIREMENTS

History Major: Thirty hours, which must include HIS 101, 102, 421. History majors must pursue the Bachelor of Arts (B.A.) degree.

History Minor: Twenty-one hours, which must include HIS 101, 102, 421.

Social Science Major: Thirty-nine hours chosen from history, sociology, political science, and geography, at least 18 hours of which must be in history. Social science majors may pursue the Bachelor of Arts (B.A.) or Bachelor of Science (B.S.) degree.

Social Science Major, Teacher Licensure: To be licensed to teach social science at the secondary level, a student must meet the following requirements: 1) completion of all core curriculum requirements for either the Bachelor of Arts [B.A.] or the Bachelor of Science [B.S.] degree, 2) completion of all professional requirements mandated by the State of Mississippi licensure standards, and 3) completion of the requirements for the major in social science including SOC 101, 111, PSC 201, ECO 201-202, HIS 101-102, 201-202, 331, 369, 403 or 404, 421, six hours of upper-level electives in HIS, and three hours of upper-level electives in HIS, SOC, or PSC. Students must be advised from the both the department of history and social science and the department of education.

Pre-Law: Pre-law students must discuss their curricular plans with the department chair.

COURSE DESCRIPTIONS FOR HISTORY (HIS)

101. **World History to 1500:** (3 hours) A survey of civilizations prior to the age of European expansion.
102. **World History since 1500:** (3 hours) A survey of civilizations since the rise of the West.
201. **United States to 1865:** (3 hours) A survey of United States history from the emergence of Native American culture to the Civil War.
202. **United States since 1865:** (3 hours) A survey of United States history from Reconstruction to the present.
301. **Colonial America:** (3 hours) A study of the colonial period of American history.
303. **Constitutional Development in the United States:** (3 hours) Same as PSC 303; see description there.

304. **Jacksonian Era:** (3 hours) A study of the democratization of American society and the genesis of reform, originating in 1828-1848.
305. **Civil War and Reconstruction:** (3 hours) The causes, events and consequences of the Civil War and Reconstruction.
311. **United States Foreign Policy:** (3 hours) The policies and problems of the foreign relations of the United States from the foundation of the Republic to the Gulf War.
323. **The Ancient Near East:** (3 hours) A study of the history, cultures, and religions of the ancient Near East from ca. 3000-333 B.C. Same as REL 303; HIS 323 may be taken by non-religion majors only.
324. **The Greco-Roman World:** (3 hours) A study of the history, cultures, and religions in the Mediterranean basin from 333 B.C. to A.D. 476. Same as REL 304; HIS 324 may be taken by non-religion majors only.
331. **Mississippi:** (3 hours) The people and past of Mississippi from Poverty Point Culture to the current time.
352. **Europe 1200-1500:** (3 hours) An investigation of the history and social assumptions of late medieval Europe.
353. **Europe 1500-1833:** (3 hours) A study of the Renaissance, Reformation, Wars of Religion, the *ancien regime*, and the French Revolution in pre-industrial Europe.
354. **Europe 1833-1945:** (3 hours) The democratization of Europe, with a consideration of the attendant wars.
369. **Introduction to World Geography:** (3 hours) An introduction to world geography with an emphasis upon conceptual understanding of cultural and physical landscapes.
401. **Progressive Era:** (3 hours) A study of reformers and reform in the United States during the early twentieth century.
403. **Geography of the Americas:** (3 hours) A survey of the cultural and physical geography of the Americas.
404. **Geography of Europe:** (3 hours) A survey of the cultural and physical geography of Europe.
405. **Geography of Africa, Asia, and Australia:** (3 hours) A survey of the cultural and physical geography of Africa, Asia, and Australia.
411. **History of Christianity:** (3 hours) A study of Christianity's historical foundations, expansion, historical theology, and cultural influences. Same as REL 411; HIS 411 may be taken by non-religion majors only.
413. **Renaissance and Reformation:** (3 hours) A study of the Renaissance and the Protestant Reformation with primary attention given to the interrelationship of these movements. Same as REL 413; HIS 413 may be taken by nonreligion majors only.

421. **Historiography:** (3 hours) The theory and practice of historical writing from Herodotus to the antiquarian empiricists.
458. **The Contemporary World:** (3 hours) A regional study of the world since 1945.

COURSE DESCRIPTIONS FOR POLITICAL SCIENCE (PSC)

201. **American Federal Government:** (3 hours) A survey of the structure and dynamic of the American polity.
202. **State and Local Government:** (Three hours) A study of the organization and functions of state and local governments.
301. **Comparative Government:** (3 hours) A comparative analysis of major European governments.
311. **United States Foreign Policy:** (3 hours) The policies and problems of the foreign relations of the United States from the foundation of the Republic to the Gulf War. Same as HIS 311.
410. **Political Communication:** (Three hours) Historical and critical study of leading political speakers, their speeches, and philosophies. Special attention is given to presidential communication. Same as COM 410.

COURSE DESCRIPTIONS FOR SOCIOLOGY (SOC)

101. **Introduction to Sociology:** (3 hours) The theory and practice of sociology.
111. **Introduction to Anthropology:** (3 hours) A survey of cultural anthropology.

SCHOOL OF ARTS, HUMANITIES, AND SCIENCES

DEPARTMENT OF LANGUAGE AND LITERATURE

Rebecca M. Jordan, D.A. (Chair)

Professor Swetman; Associate Professors Chestnut, Jordan; Assistant Professors Easterling, Ford, Stewart; Instructor Maqueda; Lecturer Lee

The aims of the English courses are to help the student learn to write with a high level of accuracy, effectiveness, and fluency; to give emphasis to research techniques, particularly for prospective graduate students in English; and to help the student to develop the ability to read critically and appreciatively the best of English, American, and continental literature.

The aims of the foreign language courses are to develop foreign language skills which enable the student to engage in oral and written communication with other peoples of the world and provide an auxiliary skill in professions; to develop in students a linguistic sense sufficient for students to be able to compare a native tongue with other languages; to give the student through readings in foreign language a background of culture of the nations using this language; to enable the student to read scientific, literary, and other treatises in a foreign language.

REQUIREMENTS

English Major and English Major with Teacher Licensure: The English major must fulfill the Bachelor of Arts (B.A.) degree requirements, including 42 hours in English. In addition to ENG 101-102, 211-212, the major includes the following requirements: (1) two courses from ENG 300, 306, 310, 316, and 403; (2) ENG 303; (3) ENG 304; (4) one course from ENG 324, 326, 365; (5) one course from ENG 323 or 411; (6) one course from ENG 472 and 475; (7) one course from ENG 404, 406, and 435; (8) one course from 440, 450, and 460; and (10) ENG 498. All English majors must pass ENG 000, English Proficiency Exam, prior to being accepted by the department as an English major. In addition, all English majors must take an English exit exam before graduation.

The English major not seeking teacher licensure must have a minor area of study comprising 18-21 hours selected in consultation with one's advisor.

The English major desiring teacher licensure must (1) complete all professional requirements mandated by the State of Mississippi certification standards, (2) complete a minor in education, and (3) be advised by the department of language and literature and by the department of education.

English Minor: Twenty-one semester hours in English, including ENG 101-102, 211-212, and nine hours of upper-level English courses.

Spanish Minor: Eighteen semester hours.

CORE CURRICULUM REQUIREMENTS (ENGLISH)

Core Curriculum: General requirements for all degrees are met by taking ENG 101, 102, 000, and at least three hours (some degrees may require six hours) of a sophomore literature course with an ENG prefix. First-trimester freshmen and first-trimester transfer students must take English composition sequentially..

Students who take a junior-level English course (300 level) must have completed nine hours in English prior to taking a junior-level English course; likewise, students who take a senior-level English course (400 level) must have completed twelve hours in English prior to taking a senior-level English course.

COURSE DESCRIPTIONS FOR ENGLISH (ENG)

- 000. English Proficiency Examination:** (0 hours) A two-hour essay exam that evaluates the student's ability to communicate effectively in written form. This test is required for each student who earns a degree at William Carey College. All students planning to major in English must pass this test prior to being accepted by the department as an English major.
- 100. Skills in English:** (3 hours) A course in basic English grammar, mechanics and usage, including practice in paragraph writing. Placement determined by results of English diagnostic examination. Three hours of lecture and recitation, two hours in writing laboratory. May not be substituted for English 101 or 102 nor used for core curriculum requirements. Grade: Pass/Repeat.
- 101. Composition:** (3 hours) A study of rhetorical principles and practices. Assigned reading and weekly themes are required.
- 101.8. Composition Honors:** (3 hours) Critical reading, with attention to rhetorical conventions, accommodates students in development of written texts for a variety of audiences and purposes. Students apply appropriate conventions in composing personal analytical, and persuasive texts. Students who enroll in this class must either be participants in the honors program or have the approval of the instructor.
- 102. Research and Composition:** (3 hours) A course combining research techniques with intensive practice in composition skills. Prerequisite: ENG 101 or 101.8.
- 102.8. Research and Composition Honors:** (3 hours) In this course, students apply appropriate strategies in conducting and reporting research, developing logical arguments, and analyzing a variety of literary genres. Students who enroll in this class must either be participants in the honors program or have the approval of the instructor. Prerequisite: ENG 101 or 101.8.
- 105. Essentials of Grammar and Writing Laboratory.** (3 hours) A course designed to meet the English proficiency requirement for those whose test results show a need for more training in writing Grade: Pass/Fail.
- 211. World Literature I:** (3 hours) A survey of the major works of literature beginning with the Greek classics and ending with the late Renaissance. Prerequisite: ENG 101 or 101.8 and ENG 102 or 102.8.

212. **World Literature II:** (3 hours) A survey of major works of literature beginning with the Age of Enlightenment and ending with the Modern Age. Prerequisite: ENG 101 or 101.8 and ENG 102 or 102.8.
- 212.8. **World Literature II Honors:** (3 hours) A survey of the major work of literature beginning with the Age of Enlightenment and ending with the Modern Age. Students who enroll in this class must either be participants in the honors program or have the approval of the instructor. Prerequisite: ENG 101 or 101.8 and ENG 102 or 102.8.
300. **Creative Writing:** (3 hours) A study of artistic techniques in selected masterpieces of short fiction, drama, poetry and essay. Students submit original works following the review of each literary genre.
303. **American Literature I:** (3 hours) A study of literature from the Colonial, Early National, and Romantic periods.
304. **American Literature II:** (3 hours) A study of literature from the Realist through the Post-Modernist periods.
306. **Expository Writing:** (3 hours) Rhetorical principles and practice in writing prose such as description, literary analysis, familiar essay, narration, etc.
310. **Pedagogical Grammar:** (3 hours) A thorough review of descriptive grammar and prescriptive grammar with an emphasis on how this knowledge can be used in teaching writing, in academic and personal writing, and in editing manuscripts.
316. **History of the English Language:** (3 hours) A study of the history and development of the English language from its Indo-European ancestry to the twentieth century.
323. **Survey of British Literature:** (3 hours) A survey of masterpieces in British literature.
324. **The Novel:** (3 hours) A study of representative European and/or American novels selected from literary, historic, or thematic types with an emphasis on various critical approaches.
325. **African American Literature:** (3 hours) A study of three centuries of representative writings by African Americans, from narratives on the Middle Passage to polemics on contemporary issues. Participants will engage in close readings and rhetorical analyses of various genres from the 1700s to the present.
365. **Development of the Short Story:** (3 hours) A study of selected short fiction as representative of the development of the genre.
403. **Linguistics and Advanced Grammar:** (3 hours) A study of historical, geographical, and structural linguistics, and a study of grammar, emphasizing analysis of syntax, and incorporating insights from structural, transformational, and other modern schools.
404. **Survey of Drama:** (3 hours) Critical and historical study of major plays from the classical Greek period through the 18th century.

406. **The Pre-Renaissance Age:** (3 hours) The literature of the Middle Ages through the early English lyricists.
411. **The Age of Elizabethan and Jacobean Drama:** (3 hours) A survey of representative plays.
416. **Manuscript Preparation and Publication:** (3 hours) This course is designed to provide experience in manuscript preparation: editing, proofreading, production and publication of journals, in-house newsletters, brochures, and other pieces distributed for public dissemination. The class is responsible for the production and distribution of *The Indigo* and the department's newsletter, *The Tattler*.
417. **Methods of Teaching English:** (3 hours) Studies in the theories, strategies, and materials of teaching English on the junior and senior high school levels.
435. **The Renaissance Age:** (3 hours) A critical study of nonepic and nondramatic works of Milton and other 17th century writers.
440. **The Age of Enlightenment:** (3 hours) A study of British prose and poetry of the 18th century.
450. **The Romantic Age:** (3 hours) A study in the British prose and poetry of the early 19th century.
460. **The Victorian Age:** (3 hours) A study in the British prose and poetry of the middle and late 19th century.
472. **Contemporary Literature:** (3 hours) Poetry, fiction, and selected drama of the Western world from the late 19th century to the present.
475. **Modern and Contemporary Drama:** (3 hours) A study of Western dramatic literature from Ibsen to contemporary dramatists.
498. **Senior Seminar:** (3 hours) A capstone course required for the English major. A synthesis of selected American, English, and world literature that involves both study and practice of criticism, analysis, and research.

COURSE DESCRIPTIONS FOR SPANISH (SPA)

- 101-102. **Elementary Spanish I-II:** (3 hours each) Emphasis on conversational Spanish with oral drills, reading, grammar, and composition.
103. **Spanish Reading for Beginners:** (3 hours) A course for students who desire to learn only the reading skill. Offered on demand.
- 201-202. **Intermediate Spanish I-II:** (3 hours each) A review of pronunciation and grammar and selected readings of cultural materials. Prerequisite: SPA 101-102 or the equivalent.
203. **Intermediate Spanish Reading:** (3 hours) A course for students who desire to learn only the reading skill. Prerequisite: SPA 103 or the equivalent. Offered on demand.

303. **Reading Spanish Literature:** (3 hours) A survey of Spanish literature with emphasis on reading comprehension. Prerequisite: SPA 202 or the equivalent.
305. **Advanced Grammar and Composition:** (3 hours) An intensive review of grammar and composition. Prerequisite: SPA 202 or the equivalent. Offered on demand.
307. **Conversational Spanish:** (3 hours) Extensive practice in oral Spanish including drill in vocabulary, idiom, and basic linguistic structure. Prerequisite: SPA 201 and permission of the instructor. Offered on demand.
- 311-312. **Survey of Spanish Literature I-II:** (3 hours each) Representative masterpieces. Prerequisite: SPA 202. Offered on demand.
350. **Life and Culture of Latin America:** (3 hours) A study of all aspects of Latin American life. Offered on demand.

COURSE DESCRIPTIONS FOR FRENCH (FRE)

101. **Elementary French I:** (3 hours) An introduction to the vocabulary, grammar, and sentence structure of the French language. The course emphasizes both verbal and written communication.
102. **Elementary French II:** (3 hours) A continuation of Elementary French I. Prerequisite: FRN 101 or equivalent.

COURSE DESCRIPTIONS FOR GERMAN (GMN)

101. **Elementary German I:** (3 hours) An introduction to the vocabulary, grammar, and sentence structure of the German language. The course emphasizes both verbal and written communication.
102. **Elementary German II:** (3 hours) A continuation of Elementary German I. Prerequisite: GMN 101 or equivalent.

SCHOOL OF ARTS, HUMANITIES, AND SCIENCES

DEPARTMENT OF MATHEMATICS AND PHYSICS

Cloyd L. Ezell, Jr., Ph.D. (Chair)

Professors Ezell, McShea; Assistant Professor Ehde; Lecturer Shepherd

The aims of the department of mathematics are: (1) to give each student enrolled in the department an insight into the nature of mathematics and to acquaint students with some of its fundamental principles, (2) to offer the appropriate mathematical preparation to students pursuing a course of study for which certain mathematics courses are prerequisites, and (3) to provide training for those students whose major interest is mathematics, including those preparing to teach mathematics in secondary schools, those seeking industrial employment, and those planning to do graduate work in mathematics.

REQUIREMENTS

Mathematics Major: A major consists of thirty semester hours including MAT 151, 152, 251, 252, and eighteen additional hours in courses numbered above 252, excluding MAT 316 and MAT 345. The specific program of study for each student is planned with the consultation and approval of the faculty advisor. Students may elect either the Bachelor of Science (B.S.) or Bachelor of Arts (B.A.) degree.

Mathematics Minor: A minor consists of eighteen semester hours including MAT 151, 152 and six semester hours numbered above 252. No course numbered below 131 is to be used in meeting the requirements for a minor in mathematics.

Mathematics Major, Teacher Licensure: To be licensed to teach mathematics at the secondary level, a student must meet the following requirements: 1) completion of all core curriculum requirements for the B.A. or B.S. degree, 2) completion of all professional requirements mandated by the State of Mississippi licensure standards, 3) completion of the requirements for a major in mathematics that includes MAT 335, 336 or 220, 341, 436, 441, and three hours of approved mathematics electives numbered above MAT 252. Students must be advised from the both the department of mathematics and the department of education.

COURSE DESCRIPTIONS FOR MATHEMATICS (MAT)

No student will be allowed to enroll in a mathematics course numbered below MAT 131 after earning credit in a mathematics course numbered MAT 131 or above unless such a course is required by the program in which the student is enrolled.

100. Elementary Mathematics: (3 hours) A course that is designed to provide basic skills in arithmetic, algebra, and geometry. Whole numbers, fractions, decimals, percentage problems, beginning algebra, formulas and measurement. The class meets five times a week. May not be used for core curriculum requirements.

109. **Mathematics Seminar I:** (1 hour) How to use graphing calculators or computer programs to explore mathematics topics.
116. **Fundamental Mathematics I:** (3 hours) In this course special attention is given to the nature of mathematics as well as to the structure and properties of the real number system. Topics include logical reasoning, problem solving, the real number system and its subsystems: natural numbers, integers, and rational numbers.
121. **Intermediate Algebra:** (3 hours) A course that treats beginning and intermediate topics in algebra including quadratic equations and systems of linear equations. Prerequisite: one unit of high school algebra.
131. **College Algebra:** (3 hours) Linear and quadratic equations, graphs of relations and functions, systems of equations, polynomial functions, logarithmic and exponential functions. Prerequisite: Two units of high school algebra or MAT 121.
132. **Trigonometry:** (3 hours) Trigonometric functions, applications, trigonometric identities and equations, graphs, inverse trigonometric functions, and triangle solution. Prerequisite: Two units of high school algebra or MAT 121.
150. **Precalculus:** (3 hours) A modified study of polynomial, rational, exponential, logarithmic, trigonometric, and two-variable functions. Emphasis is on analyzing and graphing these functions using analytic methods as well as with the use of graphing calculators. Prerequisite: Two units of high school algebra and one unit of geometry or MAT 131 or permission of the instructor.
151. **Calculus with Analytic Geometry I:** (3 hours) Topics will include limits, derivatives and applications of derivatives. Prerequisite: MAT 131.
152. **Calculus with Analytic Geometry II:** (3 hours) Topics will include the definite integral, analytic geometry, and transcendental functions. Prerequisite: MAT 132 (or 150) and MAT 151.
209. **Mathematics Seminar II:** (1 hour) A sophomore level course, primarily for mathematics majors or minors but open to all students. Sample topics: computer algebra systems, problem-solving.
220. **Elementary Statistics:** (3 hours) Frequency distributions, central tendency, dispersion, normal distribution, and sampling. Prerequisite: Two units of high school algebra, MAT 116 or MAT 121.
251. **Calculus with Analytic Geometry III:** (3 hours) Topics will include applications of integration, indeterminate forms, improper integrals, and infinite series. Prerequisite: MAT 152.
252. **Calculus with Analytic Geometry IV:** (3 hours) Topics include vectors, analytic geometry in three dimensions, partial derivatives, and multiple integrals. Prerequisite: MAT 251.
309. **Mathematics Seminar III:** (1 hour) A junior level course for mathematics majors or minors. Sample topics: famous theorems, readings in mathematics.
316. **Fundamental Mathematics II:** (3 hours) Topics will include basic concepts of geometry, measurement, probability, and statistics, with an emphasis on reasoning, problem solving, and communication of mathematical ideas. Prerequisite: MAT 116.

335. **Foundations of Mathematics:** (3 hours) Logic, sets, relations, functions, denumerable sets, cardinal numbers, and ordered sets, with emphasis throughout on the nature and technique of mathematical proof. Prerequisite: Mathematics 131 and consent of instructor.
336. **Probability:** (3 hours) An introduction to probability with some statistical applications. Equally likely events, finite sample spaces, and random variables. Prerequisite: MAT 152.
337. **Mathematical Statistics:** (3 hours) A study of statistical theory and applications with emphasis on inferential statistics. Topics include confidence intervals, hypothesis testing, correlation and regression, analysis of variance, and simulation. Prerequisite: MAT 336.
338. **Discrete Mathematics:** (3 hours) Topics will include sets, mathematical induction, relations and functions, algorithms, difference equations, graphs, combinatorics, and Boolean algebra. Prerequisite: MAT 131 or MAT 150.
341. **Linear Algebra I:** (3 hours) A first course in linear algebra. Systems of linear equations, matrices, determinants, vector inner product, vector cross product, and applications of linear algebra, with an introduction to vector spaces and linear transformations. Prerequisite: MAT 131.
342. **Linear Algebra II:** (3 hours) A continuation of MAT 341. An in-depth study of linear algebra topics and applications with emphasis on vector spaces, inner product spaces, linear transformations, eigenvectors, eigenvalues, and an introduction to numerical methods. Prerequisite: MAT 341.
345. **Teaching Mathematics in the Secondary School:** (3 hours) The study of methods and problems related to teaching mathematics in secondary school.
353. **Differential Equations:** (3 hours) A first course in differential equations. Differential equations of the first order, applications, linear differential equations and series methods. Prerequisite: MAT 252.
391. **Mathematics and Physics for Radiological Technologists:** (4 hours) An introduction to the basic mathematics and physics of electricity, magnetism, x-rays and radiation equipment. Three hours lecture and three hours laboratory a week.
409. **Mathematics Seminar IV:** (1 hour) A capstone course for mathematics majors. A comprehensive overview of the mathematics curriculum with emphasis on a thorough knowledge of key concepts and an exploration of relationships between topics.
436. **Geometry:** (3 hours) Euclidean and non-Euclidean geometries with emphasis given to their logical development from basic assumptions. Prerequisite: MAT 151.
441. **Abstract Algebra:** (3 hours) The algebraic structure of the rational, real, and complex numbers. Prerequisite: MAT 151.
451. **Advanced Calculus:** (3 hours) An intensive and detailed study of continuous and differentiable functions. Prerequisite: MAT 252. Offered on demand.
471. **History and Philosophy of Mathematics:** (3 hours) The origins, philosophy, and chronological development of the mathematical sciences with emphasis on

mathematical concepts and their interrelations. Prerequisite: MAT 252 or permission of instructor.

COURSE DESCRIPTIONS FOR PHYSICS (PHY)

101-102. General Physics: (4 hours each trimester) A study of the fundamental principles of mechanics and sound the first trimester; of heat, light, magnetism, and electricity, the second semester. Prerequisite: Mathematics 131, 132. Three hours lecture and three hours laboratory a week, both trimesters.

211-212. Engineering Physics: (4 hours each trimester) A study of the principles of physics with calculus designed especially for pre-engineering students. Prerequisite: Mathematics 151. Three hours lecture and three hours laboratory a week, both trimesters. Offered on demand.

PRE-ENGINEERING

Two years at William Carey College followed by two years in residence at a school of engineering will provide the opportunity of earning a degree in engineering. The specific program of study for each pre-engineering student is planned with the consultation and approval of the pre-engineering advisor. Details concerning this program can be obtained from the chair of the department of mathematics and physics.

SCHOOL OF ARTS, HUMANITIES, AND SCIENCES

PHILOSOPHY

Professor Crockett; Lecturer Baker

As the basis for all disciplines of investigation and research, philosophy orients the student to critical and logical thinking, reflective thought, and the development of philosophical issues, personalities, and schools. As the foundation of the liberal arts, philosophy is ideal for students seeking a minor to complement their major areas of study either in the arts, humanities, sciences, and religion or the professional disciplines.

Minor: A philosophy minor is composed of 18 hours of coursework, including PHI 201, 250, 401, 450, and six additional hours in philosophy.

COURSE DESCRIPTIONS FOR PHILOSOPHY (PHI)

201. **Introduction to Philosophy:** (3 hours) An introduction to the problems, methodologies, and major areas of philosophy as exemplified in selected primary and secondary sources.
250. **Logic:** (3 hours) A course in critical reasoning with an introductory study of language problems, deductive logic, inductive logic, and symbolic logic.
350. **Epistemology:** (3 hours) A study of contemporary theory of knowledge, including the following issues: what knowledge is, perception, skepticism, propositions, truth theories, theories of justification, foundationalism, deduction, and induction. (Prerequisite: PHI 201)
401. **Philosophy of Religion:** (3 hours) A study of the philosophical issues related to the logic of, challenges to, and problems for Christian theism. (Prerequisite: PHI 201)
403. **Moral Philosophy:** (3 hours) A study of the major theoretical paradigms of ethics from the ancient Greeks through the contemporary theorists; attention is given to contemporary moral issues and problems. (Prerequisite: PHI 201)
450. **History of Philosophy:** (3 hours) A study of the historical development of philosophy from the ancient Greek philosophers through the contemporary period. (Prerequisite: PHI 201)

SCHOOL OF ARTS, HUMANITIES, AND SCIENCES

DEPARTMENT OF THEATRE AND COMMUNICATION

Obra L. Quave, M.A. (Chair)

Professor Quave; Associate Professor Robert; Assistant Professor Huebner; Lecturer Hester

The objectives of the department of theatre and communication are (1) to improve the student's habits and abilities in communication in its various practical and artistic forms, and (2) to provide a background of knowledge and experience to help prepare the student for graduate or professional school and/or a career.

REQUIREMENTS

Theatre Major: (Leading to the professional degree, Bachelor of Fine Arts): Sixty semester hours including THE 230, 235, 240, 435, 436, and COM 375. No more than ten hours of theatre laboratory and/or rehearsal and performance courses may count toward this major.

A student who desires a concentration in musical theatre follows an interdisciplinary degree program requiring 60 semester hours. A typical program includes the following: THE 230, 235, 240, 340, 430, 435, 436, and COM 375; at least two semester hours in movement/dance; plus electives in theatre; MUT 161, 162, 163 and MUM 312; six semester hours of voice; at least three semester hours of piano; plus electives in music. The student who selects this major follows the degree plan for the Bachelor of Fine Arts degree.

While not required, it is strongly recommended that a minor field of study be selected by the student who pursues the Bachelor of Fine Arts degree.

Theatre Major: (Leading to the degree, Bachelor of Arts): Forty-two semester hours including THE 230, 235, 240, 435, 436, and COM 375. No more than six hours of theatre laboratory and/or rehearsal and performance courses may count toward this major.

Any student majoring in theatre must be active in the theatre program of the college during each trimester in residence.

Theatre Minor: Twenty-one hours, of which two to six must be in theatre laboratory.

Speech Communication and Theatre Major: Forty-two semester hours, including COM 230, 375, and THE 235. This degree program may be selected by those planning to teach in the secondary schools and by those who desire a liberal arts degree with a communication-theatre emphasis. The student who selects this major follows the degree plan for the Bachelor of Arts (B.A.) degree.

Any student majoring in speech communication and theatre must be active in the theatre program and/or the forensics program during each trimester in residence.

Speech Communication and Theatre Minor: Nineteen semester hours, including COM 230, 375, and THE 235. One hour of a laboratory course is required, but no more than one hour will apply in the requirements for the minor.

Communication Major: Thirty-six hours above COM 101, and including COM 230, 302, 375, 402, and 497. The student who selects this major follows the degree plan for the Bachelor of Arts (B.A.) or the Bachelor of Science (B.S.).

Communication Minor: Eighteen hours above COM 101.

Courses selected in each minor listed above must be approved by an advisor in the theatre/communication area.

Speech Communication and Drama, Teacher Licensure Requirements: To be licensed to teach speech communication and drama at the secondary level, a student must meet the following requirements: 1) completion of all core curriculum requirements, 2) completion of all professional requirements mandated by the state of Mississippi licensure standards, 3) completion of the requirements for the major in theatre or speech communication and theatre or communication including COM 230, 300 or 305, 375, THE 235, 240, 435, 436, and 12 hours selected from COM 301, 302, 303, 402, THE 440, 441. Courses may be substituted with the approval of the chair of the department of theatre and communication. Students must be advised from both the department of theatre and communication and the department of education. The B.F.A. degree is an option in the teacher licensure program.

MISCELLANEOUS NOTES

1. The flexibility permitted in the selection of courses in each degree program allows the individual student to plan a program of studies to meet his/her career goals. However, the selection of courses, as well as choices of a minor and general electives, must be approved by the academic advisor for the particular major. It is strongly recommended that the student majoring in communication take at least two upper-level writing courses in English.

2. Each student who completes a major in the department of theatre and communication must take a comprehensive examination in the final trimester of study. Although no specific score is required, completion of the examination is necessary for graduation.

3. At the end of the academic year, each student will be evaluated to determine if he/she will be allowed to continue in the degree program.

CAREY DINNER THEATRE

Founded in 1975, Carey Dinner Theatre operates in the summer and presents two musical theatre productions. Auditions for prospective performers and interviews for prospective technicians are held in the spring. Each member of the company receives a scholarship stipend.

SCHOOL OF BUSINESS

Professors Channell, Shivers; Associate Professors B. Brown, D. Brown, Dale, Ellis, Forrest, Keasler; Assistant Professor L. Glaze; Instructors Brockway, Commander, Schamber; Lecturers Andrews, York

The program of the School of Business is designed to provide the student with a broad-based professional education and understanding of the American free enterprise system. The school strives to instill a sense of high ethical standards for each student. The School of Business faculty emphasizes analytical skills and communication abilities in an international cultural context to prepare students for achieving their short-term and long-term goals in life.

Each area of study is structured to provide the student with a thorough grounding in basic business principles, a professional competency in at least one major area of business, and the ability to apply knowledge as future leaders to the practical problems of management in a global economy.

GENERAL INFORMATION

A student who majors in the School of Business may earn the Bachelor of Science in Business (B.S.B.) degree, the Bachelor of Science (B.S.) degree, or the Bachelor of Arts (B.A.) degree. Concentrations are offered in accounting, computer information systems, finance, and management/marketing. Only the computer information systems and management/marketing concentrations are available on the Gulfport campus.

The concentration in accounting provides students the accounting education required for careers as professional accountants in financial institutions, government, industry, nonprofit organizations, and public practice. The program also prepares students for graduate study in business or accounting. Students desiring to sit for the CPA exam in Mississippi and many other states must have completed 150 hours of academic credit before applying to sit for the examination, including 24 upper-level hours in accounting. The additional hours above the bachelor degree necessary to sit for the CPA exam may be acquired through graduate study in business; such as the M.B.A. in executive leadership offered by William Carey College, or through graduate study in accounting offered by many other colleges and universities.

The college offers the M.B.A. on both the Hattiesburg and Gulfport campuses. For information, a separate catalog on that degree program may be obtained by writing the School of Business, William Carey College, 498 Tuscan Avenue, Hattiesburg, MS 39401-5499.

Business Administration Major: The business administration major requires the completion of 60-66 hours of business courses. All students majoring in business administration must complete 45 hours of professional core requirements and 15-18 hours of a concentration area in business.

Required Professional Core: ACC 221, 222, 320 or 332; BUS 209, 216, 310, 311, 313, 314, 315, 417, 480, 485; ECO 201-202.

Areas of Concentration: Each student must select one of the following areas of concentration in business:

- **Accounting:** ACC 321, 322, 333, 421, 422, 433, and 471. Students planning to sit for the CPA exam are advised to take BUS 410.

- **Computer Information Systems:** BUS 303, 312, 400, 402, 486.
- **Finance:** BUS 317, 415, 418, 448; ECO 301 or 307.
- **Management/Marketing:** BUS 318, 322 or 324, 414, 412 or 415, 425.

Minors: A minor is required for all students majoring in business. Since many career-oriented studies indicate long-term success is achieved by individuals who are broadly educated in the liberal arts, **students who major in business are strongly encouraged to take a minor in one of the non-business general core areas.** Some minors may result in more than 128 hours required for graduation and need to be chosen carefully with assistance from the academic advisor.

Business Administration Minor: For students who are not majoring in business administration, a minor in business administration is available. The business administration minor requires eighteen hours including the following courses: ACC 221, BUS 309, 311, 314, 315, ECO 201.

Computer Information Systems Minor: A minor in computer information systems is available, consisting of the following 18 hours: BUS 202, 303, 312, 400, 402, 486.

It is recommended that students completing the B.G.S. degree with an 18-hour concentration in business administration should complete the following courses: BUS 311, 313, 314, 315, 480, and 485. Students working to complete 36 semester hours in business administration are advised to complete the 18 hours above plus any additional 18 hours in accounting, business, or economics.

SCHOOL OF EDUCATION AND PSYCHOLOGY

Bonnie H. Holder, Ph.D. (Interim Dean)

DEPARTMENT OF EDUCATION

Professors Diket, Hasselman, Hetrick, Richmond; Associate Professors Abrams, Holder, Hornsby, Metts; Assistant Professors Sonnier-York, Stanford, Waldrip; Lecturers Butler, Steverson, Ward

The purpose of the department of education is to provide professional training and study that will prepare the education student to pursue a career in the field of education. This training is characterized by course content, field assignments, practica, and clinical experiences.

The department of education is responsible for the development of undergraduate and graduate curricula in (1) elementary education, (2) secondary education, and (3) other add-on certification areas and for supervision and preparation of teachers with majors in those areas.

TEACHER EDUCATION COMMITTEE

Teacher education is considered to be an institution-wide function at William Carey College. The teacher education committee broadly represents the departments interested in the preparation of teachers for elementary and secondary schools.

The teacher education committee formulates policies for teacher education consistent with state law and subject to the approval of the college administration. These policies deal with philosophy and objectives, organization and administration, curricula and student personnel services. Curriculum changes must be approved by the academic council and/or the graduate committee.

SELECTIVE ADMISSION AND RETENTION IN TEACHER EDUCATION

POLICIES AND PROCEDURES

I. Admission procedures:

- A. Students need to make application for admission to the professional program in teacher education prior to taking courses in education.
 1. Students should make application for admission by the end of their sophomore year in college. Transfer students should make application prior to registering for their first trimester of courses at Carey.
 2. All students must be formally admitted before they will be permitted to take more than six hours (secondary majors) or nine hours (elementary majors) of 300 level education courses. A student who has not been admitted will not be permitted to take 400 level education courses.

- B. All applications for admission will be processed by the department of education faculty. A file will be maintained on each student.
- C. Students who make proper application will be admitted to teacher education when they meet these requirements:
1. Achieve and maintain an overall grade-point average of 2.5 or better on 44 semester hours of the teacher education liberal arts core.
 2. Achieve the required score on PRAXIS I (Pre-Professional Skills Test) which includes all subtests (Reading, Writing, Mathematics). A student may also meet these tests' requirements with a score of 21 or better on the ACT with no score below an 18 on any subtest.
 3. Achieve a grade of C or better in English 101 and 102. (Students who have earned a D in English 101 and 102 may be conditionally admitted to the professional program in teacher education. However, they must remove the condition by rescheduling English 101 and/or 102 and earning a grade of C or better the following regular trimester or summer session they enroll at William Carey College.)

II. Retention procedures:

The education department faculty will review the status of students formally admitted to the professional program in teacher education and will take proper action in the following instances:

- A. when advisors or other faculty members request to review the continued eligibility of a student.
- B. when the grades of a student warrant such a review (consistent failing grades, a failure to make normal progress).
- C. when the student makes application for student teaching
- D. when the supervising teacher, the school principal, or the director of student teaching indicates unsatisfactory progress in student teaching.

TEACHER EDUCATION LIBERAL ARTS CORE

Students seeking teacher certification must fulfill 44 hours of particular liberal arts core courses for admission to teacher education. For students earning a Bachelor of Science degree, the following 44 hours of courses are required for admission to teacher certification: ENG 101-102, six hours of English literature, MAT 131 or higher, PSY 201, COM 101, HIS 101-102 or 201-202, three hours of fine arts, four hours of laboratory biology, eleven hours of science including two lab sciences, and three hours of a social studies elective.

ADDITIONAL REQUIREMENTS

Additional noneducation courses required for teacher certification are: REL 101-102, BUS 102 or a higher computer course, PSY 202 or 305 (elementary education majors) or PSY 203 or 305 (secondary education certification), PSY 204 and two hours of physical education activity courses or HEA 300. Elementary education majors are required to complete an interdisciplinary concentration, including the following courses: MAT 116,

316, a social science elective, ART 319, MUE 320, PED 338, BUS 102, EDU 308, 311, and 372.

REQUIRED PROFESSIONAL COURSES

For teacher licensure, required professional education courses are: EDU 300, 300.1, 372, 436, 450, and twelve hours of 483, 484, or 496.

NOTE: All students are required to complete student teaching including teacher assistants.

STUDENT TEACHING REQUIREMENTS

A student may take directed teaching (EDU 483, EDU 484, EDU 496) in one of the cooperating school districts during his/her senior year provided the following requirements have been met:

1. Be a senior (completed at least 90 semester hours).
2. Have been admitted to teacher education for one trimester.
3. Pass the required English Proficiency Examination.
4. Have earned an overall grade point average of 2.5 or better.
5. Have earned grades of C or better in all professional education courses.
6. Have earned a grade of C or better in all courses in major teaching field.
7. Make an application for spring student teaching by September 15 or make an application for fall student teaching by March 1 preceding.
8. Have approval of the chair of the education department and/or director of student teaching.
9. In addition to admission to teacher education requirements, the student must also achieve the required scores on PRAXIS II (Principles of Learning and Teaching and Specialty Area). The student must have the scores on all of these tests reported to the Mississippi Department of Education.
10. Have a statement from the student's advisor certifying the student's competency in the subject area in which the student is seeking certification.
11. Must have completed all specialty and professional courses with a minimum grade of C or better in each course. Special permission from the chairman, department of education must be secured to take courses after student teaching.

Student teachers are required to spend 60 full calendar school days in the assigned classroom. The student is required to complete the seminars on the MTAI or INTASC prior to or during the student teaching experience.

SPECIALIZATION REQUIREMENTS

Elementary Education Major. Students majoring in elementary education earn a Bachelor of Science (B.S.) degree. Elementary education majors are required to complete courses for a K-4 licensure and are recommended to complete courses sufficient to obtain a 4-8 endorsement.

All elementary education majors are required to complete the teacher education liberal arts core (44 hours); additional college requirements (11 hours); an interdisciplinary concentration (30 hours), professional education courses (12 hours); specialty clinical courses (33 hours); and for 4-8 endorsements, concentrations as required (9-12 hours).

Students are encouraged to complete requirements to be eligible for the 4-8 endorsement. Although this requires an additional two concentrations, these concentrations may be earned with six to nine hours beyond the minimum graduation requirements.

1. A concentration in reading is recommended strongly and is attained by taking EDU 308, 311, 344, 407, 441, and 474. This concentration also will give the student the requirements for an endorsement in remedial reading.
2. A second concentration must be from an academic area such as English, mathematics, science, or social studies. Coursework is to be selected in consultation with the advisor. The student may elect to have a second academic concentration in lieu of the reading concentration.

Special Education (Mild/Moderately Handicapped) Add-on Endorsements

An elementary education or secondary education major can add certification in special education (mild/moderately handicapped) by completing the following additional courses: EDU 461, EDU 462, EDU 463, EDU 464, and EDU 460.

Secondary Education Requirements For Teaching High School Subjects

Students who plan to teach at the high school level should major in a secondary subject matter field. Secondary teaching certification requirements include the college core (outlined elsewhere in this catalog for the B.A., B.S., or B.M. degree), additional teacher education core courses, the specialty area courses (outlined under the respective department sections of this catalog), and all professional education courses including EDU 300, EDU 300.1, EDU 436, EDU 450, EDU 372, EDU 446, EDU 484, PSY 203 and PSY 204. Students completing these courses also receive a minor in secondary education.

Secondary teaching licensure is offered in biology/general science, English, mathematics, social studies, and speech communication and drama.

Special Subject Areas

Students who want to teach in the areas of art, music, and physical education are licensed to teach grades K-12.

Those students pursuing degree programs that meet K-12 licensure requirements must complete the college core (outlined elsewhere in this catalog for the B.A., B.S., B.F.A., and B.M. degrees), additional teacher education core courses, the specialty area courses listed within the respective departments, and professional courses including EDU 300, EDU 300.1, EDU 372, EDU 436, EDU 496, PSY 202, 203, or 305, and PSY 204.

Music students may substitute EDU 436 for PSY 204.

LICENSURE PROCEDURE

Students are responsible for making the proper application to the Mississippi Department of Education, for requesting their licensure. Forms are available in the registrar's office or the department of education office. The student must also fill out a release-of-records form.

Completion of the teacher education program does not guarantee licensure. The student must meet all requirements specified by the Mississippi Department of Education and current law.

NOTE: All education programs and requirements are subject to change due to requirements set forth by the Mississippi Department of Education and state law. The current requirements for licensure—if different from this catalog—will supersede the catalog descriptions.

SCHOOL OF EDUCATION AND PSYCHOLOGY

DEPARTMENT OF HEALTH, PHYSICAL EDUCATION, RECREATION, AND COACHING

Benjamin Waddle, Ed.D. (Chair)

Professor Waddle; Assistant Professors Halford, Knight; Instructors Byrd, English

The purpose of the department is to provide opportunity for the individual to learn activities which are invigorating and enjoyable and will lead to positive physical, emotional, mental, and spiritual growth. Emphasis is placed on physical growth by stressing the importance of developing and maintaining a strong, sound body. The emotional, mental and spiritual growth of the student is enhanced through development of sport skills which will enable the student to participate in worthwhile recreational activities. Through these activities, students will be able to make emotional and mental adaptations.

It is also the aim of the department to give physical education majors, minors, and coaches a clear understanding of procedures, methods, techniques, and materials for effective, competent teaching and coaching.

SCHOOL OF EDUCATION AND PSYCHOLOGY

DEPARTMENT OF PSYCHOLOGY

William T. Rivero, Ph.D. (Chair)

Professors Cotten, King, Rivero; Associate Professor C. Jones; Lecturers Burkett, Cummings, Hanson, Ramsey

The purposes of the department of psychology are:

1. *To offer an undergraduate major in psychology that will serve as a concentration for the liberal arts student.*
2. *To prepare students for graduate study leading to an advanced degree for the professional psychologist.*
3. *To enable students to gain a better understanding of themselves and others and to learn to cope effectively with their environments.*
4. *To provide services for other departments and schools within the college to supplement their curricula and to enable their students to fulfill the requirements for certification in their respective fields such as education, medicine, music, nursing, and religion.*

Students majoring in psychology may choose a degree program suitable to their plans for the future, and they may work toward the Bachelor of Arts (B.A.) or the Bachelor of Science (B.S.) degree.

DONALD AND FRANCES WINTERS SCHOOL OF MUSIC

J. Milfred Valentine, Ph.D. (Dean)

Professors Cotten, Keever, Valentine, Winters, Young; Associate Professors D'Arpa, Loncar, Roberts; Instructor Vail

Music study at the Winters School of Music is designed to realize the purpose and specific objectives of the college. Students are challenged to discover and develop their own musical capacities and interests, so they may fully realize their own self-expression, may enjoy music as recreation, or may utilize music as a profession.

William Carey College is an accredited institutional member of the National Association of Schools of Music.

Graduates with the Bachelor of Music education degree will have fulfilled all requirements leading to licensure with the Mississippi State Department of Education for teaching K through 12. The Bachelor of Music degree with a major in music therapy is approved by the American Music Therapy Association. Graduates of the music therapy program will have fulfilled all requirements leading to certification by the American Music Therapy Association.

ADMISSION TO MUSIC CURRICULA

1. **MUSIC AUDITION.** Prior to admission, each candidate should perform before the music faculty selections of vocal and/or instrumental music representative of the student's highest level of proficiency. In certain cases, a student may be admitted as a music major who has not had the formal training necessary to perform the suggested literature but who demonstrates exceptional talent.
2. **EVALUATION OF TRANSFER CREDITS.** Transfer credit in music theory is validated only upon successful completion of a written diagnostic exam. Advanced standing in applied music is granted only upon successful completion of upper-level and/or proficiency examinations (see below).

ADDITIONAL REQUIREMENTS

1. **RECITALS.** All students pursuing the B.M. degree will perform at least a half recital (25 to 30 minutes) in the senior year. Music education majors may choose to complete an appropriate music project instead of the senior recital.

Performance majors will perform at least a half recital in the junior year and a full recital (45 to 55 minutes) in the senior year.

Each student pursuing the B.M. degree will register for Applied Music Concentration until all recital requirements have been met.

2. **RECITAL ATTENDANCE.** Attendance at recitals and school concerts is considered an integral part of each student's development as both a performer and an informed listener. Music majors will register for MUR 000—recital class (no credit) each trimester of study, requiring attendance at 75% of all weekly student recitals, degree recitals, faculty recitals, and special concerts presented by the School of Music. During the final trimester of study, students will register for MUR 001—Recital class completion.
3. **UPPER-LEVEL EXAMINATIONS.** At the end of the sophomore year, there will be a special examination to determine each student's eligibility for upper-level music study. This exam will consist of a 12 minute program in the applied concentration and a short sight-singing proficiency. A student must continue to register for applied music at the sophomore level until the exam is successfully completed.

Transfer students with two previous years of college credit in their concentrations will be allowed to register for upper-level study, but must pass the upper-level exam by the end of their first trimester of study at Carey to receive advanced course credit.

4. **PROFICIENCY EXAMINATIONS.** All students pursuing the Bachelor of Music degree must pass the piano proficiency exam. All music majors and minors must pass a proficiency exam in their secondary area of Applied Music.

NOTE: For additional information regarding School of Music requirements and policies, refer to the *Winters School of Music Handbook*, available from the music office.

SCHOOL OF NURSING

Mary A. Ware, Ed.D, (Dean)

Professors Mitchell, Ware, J. Williams; Associate Professors Cooksey, Knobloch, Morris, Sullivan; Assistant Professors Brantley, Chatham, Ferguson, Garin, Johnston, Mansell, Nesbitt, Onate, Payne, Robinson, Thompson; Instructors Justice, McDonald

As an integral part of William Carey College, the School of Nursing shares the overall purpose and objectives of the college. It seeks to prepare individuals for self-directed practice and continuing growth in professional nursing; for formal graduate study; and for service to people as an expression of the Christian life and commitment.

Nursing is offered on all three campuses of the college with a director on each campus. The overall operations of the School of Nursing are administered by the dean of nursing.

The School of Nursing is accredited by the National League of Nursing Accrediting Commission, 61 Broadway, New York, NY 10006, (800) 669-9656 ext. 153; by the Board of Trustees, Institutions of Higher Learning of the State of Mississippi, and approved in New Orleans by the Louisiana State Board of Nursing.

GRADUATE COMPETENCIES

Upon completion of the program of study in William Carey College School of Nursing, the professional nurse graduate is expected to be able to perform the following competencies:

- Synthesize knowledge drawn from the liberal arts, the biological, physical, social, and behavioral sciences, the religious domain and nursing to assist clients in a variety of settings to meet health care needs.
- Use the nursing process in delivering care to individuals, families, groups, and communities in varying positions on the health continuum throughout the life span.
- Facilitate attainment of optimal levels of wellness on the health continuum by employing restorative, palliative health promotion and maintenance, illness prevention, and rehabilitative functions.
- Use a systematic approach to identify and facilitate a positive response to the environmental systems that impact the health of individuals, families, groups, and communities
- Integrate principles and techniques of communication in providing nursing care for clients from diverse and multicultural populations.
- Use nursing research and critical thinking skills to advance professional nursing practice and the delivery of health care.

- Use leadership skills and knowledge of political systems to enhance the quality of nursing care, collaborate with other health care providers and encourage other professionals and the public to promote the health and well being of society.
- Demonstrate responsibility and accountability as a member of the nursing profession, the health care team, and the community .
- Integrate Christian principles and values in service to individuals, families, groups, and communities.

ADMISSION OF STUDENTS

Applicants to the School of Nursing must be students in good standing at William Carey College and must have completed designated core courses.* All applicants seeking the B.S.N. must apply for admission to the School of Nursing on the campus to which application is being made. An application will be considered on one campus only per admission period. Applicants are responsible for completing the entire application. No incomplete applications will be considered.

In addition to completion of the designated courses, each applicant must have:

1. Passed the English Proficiency Examination or ENG 105
2. Have a grade point average of 2.5 or higher on pre-nursing coursework and a score of 100 or above on the NLN Pre-Entrance Examination
OR
Have a grade point average of 2.25-2.49 on pre-nursing coursework and a NLN score of 110 or above
OR
Have a grade point average of 2.75 or higher and a NLN score of 90-99.

Hours taken at William Carey College are also considered in the application process. Admission to the School of Nursing is competitive and these requirements are minimum. Students being admitted to the college or meeting these minimum requirements are *not guaranteed* admission to the School of Nursing. Students having made two Ds or Fs in the same required course must make a written request to the nursing admission committee for permission to apply. Students having recently made two Ds or Fs in nursing courses are ineligible. If the Ds or Fs were made five or more years previously, an appeal may be presented to the dean of nursing.

*The following 50 hours are required for admission to the School of Nursing: BIO 234, 235, 260, 306; BUS 102; CHE 101, 102; COM 101; ENG 101, 102; HEA 240; MAT 131; PSY 201, 305; SOC 101. In addition, all except 15 hours of the remaining core curriculum courses must be completed.

326. **Nursing of the Adult II:** (4/2.5/7.5) Organized around the nursing process, this course provides theory for clinical application of the bio-psycho-spiritual application. It covers a broad range of common conditions experienced by adults, building on concepts learned in NUR 306. Prerequisite: NUR 306, NUR 307.
412. **Introduction to Research:** (2/2.50) A course studying various nursing theorists and the role of the professional nurse in research. An understanding of research design is utilized in critiquing current nursing research. The basic steps to developing a proposal for a nursing problem in a selected population will be learned. Prerequisite: NUR 314, NUR 321, NUR 322, NUR326.
414. **Writing and Reporting Research:** (1/1.25) The writing, oral presentation and evaluation of the research proposals begun in NUR 412 will be done in this course. Prerequisite: NUR 412.
423. **Complex Health Problem** (4/2.5/7.5) The nursing needs of individuals experiencing complex health problems with unpredictable outcomes are studied. The concepts of humankind, society, health, and nursing with their subconcepts and theories are built upon and expanded. A broad range of complex biophysical and psychosocial disorders are discussed, building upon the content of previous courses. The nursing process is used as a model for nursing care, and students are encouraged to explore creative approaches of meeting the changing health needs of society. Selected clinical and laboratory experiences with emphasis on critical care areas are utilized to meet course objectives. Prerequisite: NUR 314, NUR 321, NUR322, NUR326.
424. **Managing Health Care:** (2/2.50) The study of basic leadership theories and skills, models for health care delivery and the political, socioeconomic and professional issues of the workplace. Prerequisite: NUR 314, NUR 321, NUR322, NUR326.
431. **Community Nursing:** (4/2.5/7.5) Underscores the utilization of the nursing process outside the acute care setting. Community nursing theory is taught and implemented. Man, nursing, health, and environment are analyzed as to their effect on community health. Prerequisites: NUR 314, NUR 321, NUR 322, NUR 326.
444. **Professional Nursing Preceptorship:** (3/-/37.5 hrs per week x 3 wks) An opportunity at the end of the program for the student to begin to synthesize and utilize previously acquired knowledge and experience. This assists in the exploration of career options and the transition to the workplace setting. Prerequisite: NUR 414, NUR 423, NUR 424, NUR 431.

INSURANCE

All students in nursing courses must have malpractice insurance before entering the clinical setting.

ATTENDANCE

Refer to School of Nursing student handbook and individual course syllabi.

HEALTH EXAMINATIONS

All students entering nursing courses are required to have health examinations. All students must submit the results of appropriate screening for TB annually. Failure to do so will result in the inability to attend the clinical portion of a course.

HEALTH PROFESSIONAL CPR CERTIFICATION

All students must complete Health Professional CPR Certification each year. This can be taken at an institution/agency of the student's choice. Students are responsible for submitting evidence of current certification to the nursing office for their file. Failure to do so will result in the inability to attend the clinical portion of a course.

PROGRESSION

Students must complete all nursing courses with a grade of C or better. In the event two grades of D or F are earned in clinical nursing courses, the student is permanently ineligible to continue in nursing. Should the student fail any one required nonclinical nursing course two times, the student is permanently ineligible to continue in nursing.

Students must meet the prerequisite requirements for each course. No student may progress through *clinical courses* without successfully completing with a grade of C or better the clinical course(s) previously attempted.

Progression through the courses in the nursing major is in three levels. Level I courses must be completed before progressing to Level II. No student may progress to *clinical courses* in Level III without successfully completing, with a grade of C or better, all required courses in Level II.

ADVANCED PLACEMENT FOR REGISTERED NURSES

Registered nurses wishing to pursue a baccalaureate degree in nursing may complete the nursing component within 15 months at William Carey College. Non-nursing courses may be completed at an individualized pace within six years of initial enrollment at William Carey College.

Requirements for admission to Advanced Standing in Nursing are: (1) graduation from a nationally accredited associate degree or diploma nursing program, (2) unencumbered licensure as a registered nurse, (3) good standing at William Carey College, (4) completion of designated core and support courses, (5) successful completion of the English Proficiency Examination or English 105, (6) cumulative grade point average of 2.5 on all courses taken towards meeting the nursing degree requirements.

Nursing classes are scheduled to meet on two days every other week in order to accommodate student needs. Clinical experiences are individually arranged.

REQUIREMENTS FOR GRADUATION

To be eligible for the degree of Bachelor of Science in nursing, the student must have fulfilled all requirements of the college for graduation, completed all nursing courses with at least a "C" and be recommended by the dean and faculty. Graduates are eligible to apply to write the registered nurse licensure examination (NCLEX-RN) following successful completion of the curriculum.

SPECIAL PROGRAMS

HONORS PROGRAM

Professor Diket, (Director)

Assistant Professors Chatham, Singletary (Gulfport Co-directors)

The honors program is designed for qualified high-achieving students whom the college recognizes with honors scholarships. Scholarship awards are based upon superior academic background or upon demonstrated talent in the area of the visual or performing arts. Students receiving honors scholarships are required to participate in the honors program. Other students interested in the advanced academic pursuit offered in the honors program may apply to participate.

Academic Honors*

The student participates in honors sections of selected academic core classes. In addition, the student participates in a variety of special seminars and colloquia.

Talent Honors*

The talent honors program is designed for qualified high-achieving students recognized for superior ability and demonstrated talent in areas of the visual or performing arts. Students enter the talent honors program at the invitation of the scholarship committee. Selection is based upon the student's aptitude for advanced performance in one of the following fine arts areas: visual art, music, or theatre.

In addition to advanced participation within the primary talent discipline, students will attend mini-seminars and performances in related talent disciplines.

*Students should see the honors director or academic advisor for the specifics of the program on a particular campus. All honors awards are based upon superior scholarship.

COURSE DESCRIPTIONS FOR HONORS (HON)

HON 201. (1 hour) An intra-interdisciplinary course for honors students on the sophomore level. Required for honors students on the Gulfport campus.

HON 301. (1 hour) An intra-interdisciplinary course for honors students that is required in the junior year. This course will familiarize students in the arts, humanities, and sciences with current topics and research questions within and across disciplines and emphasizes professional study. Required of all honors students on the Hattiesburg and Gulfport campuses.

HON 401. (1 hour) An intra-interdisciplinary course for honors students on the senior level. Required for honors students on the Gulfport campus.

BACHELOR OF GENERAL STUDIES

The Bachelor of General Studies degree is a flexible degree oriented toward the nontraditional student. The B.G.S. degree serves the nontraditional student with a diversity of educational experiences. It also serves the student from technical and other backgrounds not easily integrated into a traditional degree program.

The B.G.S. degree requires 36 semester hours in one area or two areas of 18 semester hours each, excluding hours in clinical courses. No special/specific courses are required in the general studies major. Credit may be given for transfer students from technical programs. In the concentration(s), 50 percent of the courses must be upper-level courses.

The Bachelor of General Studies degree is not available for students who must meet state or national certification (i.e. nursing, teacher licensure).

KEESLER CENTER

William Carey College is committed to the educational needs of adult students who serve in the defense of our nation. The college currently offers the following degree programs at Keesler Air Force Base: the Bachelor of General Studies (B.G.S.), the Bachelor of Arts (B.A.), the Bachelor of Science (B.S.), the Bachelor of Science in Business (B.S.B.), and the Master of Business Administration (M.B.A.). The B.A., B.S., and B.S.B. may be earned in business with concentrations in management/marketing or computer information systems. The B.G.S. degree program may be completed with approved concentrations by the program director. The B.G.S. degree allows students to maximize their military training credits earned through the Community College of the Air Force and/or other military branch service. Completion of the B.A., B.S., B.S.B., or B.G.S. will enable an individual to pursue the M.B.A. degree. For more information concerning these programs, please contact the program director at 228-377-0090.

FOREIGN STUDY

William Carey College offers study tours to Europe, Israel, Asia, the Near East, and Latin America. In addition, William Carey students enter competition for Fulbright, Rotary, and other prestigious programs, for foreign study.

Credit for a course taken by a student enrolled in a foreign university course of study (including course number, lectures, examinations) will be treated the same as transfer credit from another institution in this country.

Courses of foreign study, limited to six hours toward degree requirements, require prior approval by the vice president of academic affairs, and they are counted as elective credit.

STUDENT SUPPORT SERVICES

Joe E. Garvin, M.S. (Director)

Student Support Services is a support program designed for a target group including first generation students, the physically disabled, and those from low income families. Services include reading and study skills improvement, academic classes, a writing

laboratory, tutorial services, academic advisement, vocational and personal counseling, and referrals to appropriate agencies or schools when needed.

COURSE DESCRIPTIONS FOR STUDY SKILLS

SSS 100. Study Skills Improvement: (3 hours) A course designed to meet the individual needs of each student in reading comprehension and study techniques. Emphasis is given to vocabulary development. This course will not fulfill any core curriculum requirement.

HUM 200. Strategies in Learning: (3 hours) A course designed to provide techniques for effective reading comprehension and critical thinking. Emphasis is given to time management, notetaking techniques, patterns of paragraph organization and development, and evaluation of written material. This course will not fulfill any core curriculum requirement.

SERVICEMEMBER OPPORTUNITY COLLEGE

William Carey College has met criteria established by the Department of Defense to be recognized as a Servicemember Opportunity College; therefore, active duty military personnel are extended educational opportunities that are sometimes distinct from common institutional practice. Policy stipulates flexibility essential to the improvement of access by servicemembers to undergraduate educational programs, and further, that institutional policies and practices be fair, equitable, and effective in recognizing special and often limiting conditions faced by military students. Academic residency is satisfied by 25 percent of the undergraduate degree courses being completed with William Carey College.

WILLIAM CAREY COLLEGE ALUMNI ASSOCIATION

Donna Wheeler, Alumni Relations Director

One of the most valuable assets any institution of higher learning has is its alumni. This is certainly true of William Carey College as our former students spread our name abroad, give vocal and financial support, and tell the College about prospective students. The William Carey College Alumni Association includes former students who have completed at least twenty-four hours of academic credit.

OFFICERS

President	Jessie Laird '91
Vice President	George Berger '64
Assistant Vice President	Bobby Byrd '93
Hattiesburg Campus Representative	to be chosen
Gulfport Campus Representative	Jerry Bracey '87
New Orleans Campus Representative	Laura Garin
Mississippi Woman's College Representatives	Lynette Long Howell '53

AT-LARGE MEMBERS

Dorothy McKenzie Fortenberry '58	Paul Hughes '79
Ray Strebeck '55	Keith Mitchell '81
Doyle Wheat '58	Jeff Murphy '84
Josephine D'Arpa '60	Don Stewart '81
Nancy Kent '65	Christy Walters '92
Troy Flowers '67	Robbie Hitt '92
Juruthin Woullard '78	Scott Vickery '99
Pat Sylvest Jones '74	

The Carey Capsule is the official publication of the Carey Alumni Association and is mailed to nearly 12,000 former students and friends whose current addresses are on file in the alumni office.

Continued alumni support is vital to the future of Christian education at William Carey College. The time and money you give in support of Carey is not spent—it is invested!
